

We need YOUR voice!

Support HB 1121 to help victims of
sexual harassment in Georgia!

YOU are making a DIFFERENCE!

We were overjoyed last night that HB 1121 was slated for a vote today, only to find this morning that The Metro Atlanta Chamber has come out AGAINST the bill and is actively trying to table it -- But YOU can help!

Please contact each and every rep on the committee **THIS MORNING (listed here)** to ask that they stick to the plan and vote on the bill TODAY!

Learn more about HB 1121 on our website, **here!**

Together, we can make a difference for victims of sexual harassment in Georgia!
