Courtroom Defense in Serious Criminal Cases

Our law firm's immediate intervention, including a complete case investigation, helped reach numerous successful outcomes. The clients faced the risk of long sentences as well as losing child custody and/or professional licensing. And most criminal charges were dropped or set for dismissal.

Probation Officers Facing Charges in High-Profile Case: Following a felony indictment by the State Attorney General, our law firm secured dismissal of all charges for two officers accused of setting up fights in juvenile hall.

Domestic Violence Case Dropped: A recently licensed attorney was arrested for felony domestic violence. Our office presented the government evidence highlighting the unreliability of the alleged victim and his motive to lie. The DA's office agreed with our position and rejected the prosecution. No charges at arraignment.

No Filing in Sexual Assault Case: A medical professional was arrested on four counts of sexual assault, while working for a government agency. He posted a $400,000 bail bond. Following our client completing a defense polygraph exam, we presented evidence raising reasonable doubt. No rape charges filed at arraignment.

No Filing in Sexual Assault Case: Fight at a party resulted in a felony arrest. After our defense presentation to the LAPD, the case was closed with no formal charging.

Diversion Granted Drug Arrest: Judicial diversion granted in case involving a county official using drugs at a park. Case to be dismissed and sealed once addiction counseling and treatment completed.

Unlawful Pornography Cases Result in No Jail: Client was on probation for a felony case, and arrested again for the same conduct. Following our attorneys presenting constitutional challenges as to the second case investigation, DA agreed to probation and no prison. Client has been facing over five years in prison.

No Gun Charges Following Search Warrants and Multiple Arrests: A joint state and federal task force investigation against our client led to multiple arrests. Due to issues of reasonable doubt we raised with Pasadena PD, the case was closed without formal charges in state or federal court. Our client was not charged at arraignment despite posting $100,000 bail bond at time of arrest.

Non-Prosecution in China Sanctions Case: Following the importation of potentially contraband items from China, the clients faced an extensive federal investigation. Five years after the multiple warrants were served, and following extensive advocacy with the US Attorney's Office to not prosecute, no formal charges were brought.

Federal Drug Charges Dismissed: Facing a five year mandatory minimum, our client (a former nurse) has felony conspiracy criminal charges dropped in US District Court following successful completion of the CASA program.
