

Corporate Counsel, Global Commercial, Law & Corporate Affairs - Seattle, WA (170025135)

Location: US-WA-Seattle-Starbucks Support Center
Starbucks - Legal

From the beginning, Starbucks set out to be a different kind of company. One that not only celebrates coffee and its rich tradition, but that creates a feeling of connection. We develop and support partners who share this passion and are guided by their service to others.

When you're surrounded by people who share a passionate commitment around a common purpose, anything is possible.

– Howard Schultz, Executive Chairman, Starbucks Coffee Company

As **corporate counsel – Global Commercial**, you will work closely with business leads in Starbucks supply chain and research & development groups, as well as other support functions, to help achieve business results. Your work will include drafting, reviewing, and supporting the negotiation of contracts using your legal expertise on commercial matters, including the purchase and sale of goods and services, construction and design build projects, capital equipment purchases and installation, licensing of intellectual property, development of commercial products, and product distribution and transportation. You will provide advice and training on negotiating contract terms and the resolution of contract issues, as well as on intellectual property, antitrust, and other legal topics, to help achieve business goals while proactively managing and mitigating business risk.

Leveraging your previous experience, we will enable you to:

- **Guide** – Provide strategic legal counseling to leaders in the Global Supply Chain business unit, as well as the adjacent businesses and functions that collaborate with and are supported by it.
- **Collaborate** – Team with other Law & Corporate Affairs partners to provide cross-functional support, including on matters of licensing, intellectual property, product development, and litigation.
- **Support** – Play a key role for the Law & Corporate Affairs team that provides legal support to this key business unit, including partnering with paralegals and other department staff members.

We'd love to hear from people with:

- 3-9 years of relevant substantive legal experience in a law firm or corporate legal department
- License to practice law in Washington, either through general admission or limited admission as in-house counsel

- Experience with construction and cross-border legal transactions strongly preferred

We hope to hear from you! Click "Apply Online" to begin the application process today.
