

Commercial Litigation Associate

We are currently seeking a Commercial Litigation Associate to join our litigation group. Candidates should have at least two solid years of general commercial litigation experience and an interest in construction law. Experience with construction contracts and/or the fundamentals of construction law would be a plus. Superior academic credentials and references, excellent written and verbal communication skills, and current WSBA membership or ability to gain WSBA admission required. We offer a competitive salary, sophisticated work for excellent clients, and a uniquely collegial working environment. We are an equal opportunity employer.

To apply, send cover letter, resume, law school transcript, and writing sample to careers@cairncross.com or mail materials to:
