[REDACTED]

Dear Michael,

Gracias. Thank you.

I received the Minute Entry reducing [REDACTED] first conviction to a misdemeanor, and am very pleased at your persistence and success in this matter. One sign of a good attorney is that he never gives up. You have persisted and persisted, until obtaining success on this point. The next question is whether your success on this point can affect the second conviction.

Throughout your representation of [REDACTED] I have been impressed and pleased with your ability and your professionalism and care. This applies not just to you, but also to your staff, and to the attorney who on one occasion took your place. Courtesy, attention, friendliness, and caring have been the hallmarks of your treatment of [REDACTED], and of me, but all of you, and for this I am profoundly grateful. On every visit to and contact with your office, I have felt personally attended.

I think that the caring is important. I have seen in you, and in your substitute attorney, that you are parents, and understand therefore in a deep personal sense the impact criminal cases have on the family. You all understand that each case impacts a family, not just the accused.

Sincerely,

Vee
