### FOR IMMEDIATE RELEASE

Lexington, KY (December 12, 2017) - This school year Realtors representing the Lexington-Bluegrass Association of REALTORS® (LBAR) visited the public elementary schools in Harrison County including Eastside Elementary, Northside Elementary, Southside Elementary, and Westside Elementary and presented a book. Each school received *Spaghetti in a Hot Dog Bun* by esteemed author Maria Dismondy. This charming story empowers children to always do the right thing and be proud of themselves, even when they are faced with a challenging person.

In its tenth year, Melissa Poynter, the chair of the LBAR community education task force, has continued to lead this project. Realtors Nancy Allison, Shannon Allison, Aimee Davis, and Linda Lewis delivered the book and read to a group of students during library class. This contribution to Harrison County is part of a larger donation to the public elementary schools in the Bluegrass region —LBAR will be presenting the book to over 140 elementary schools in 22 counties. The project is part of LBAR's goal to become involved with the area's school systems in innovative ways that will positively shape the future of our community's children.
