Dear Hackney members,

Burns Night 2018

Join Hackney Cycling Campaign at our [annual fundraising Burns Night supper and ceilidh](#). Burns Night is always a lot of fun and an opportunity for London Cycling Campaign members, supporters and friends to meet each other and have a good time in the dark days of winter. **27th JAN 2018**

**SAT 27 JAN
BURNS
NIGHT
CEILIDH**

Tickets on sale now!

Delicious dinner and dance
Music from the Muckers

AGM

We held our AGM in October which included the election of our new committee as well as a discussion to launch a manifesto for 2018. With a round of local elections on the way, we felt it was time to revisit some issues within the borough, as well as look for firm commitments from prospective councilors. The manifesto and pledges can be found here: <http://hackney.cc/manifesto>

Teamwork scoops prize for family-centred project

The Hackney Family Cycling Library picked up an award for 'best campaign project' at the LCC AGM in October. Run by Alix Stredwick of local social enterprise *CarryMe* Bikes C.I.C. and Hackney LCC volunteer Ruth-Anna Maqueen, The Family Cycling Library is one of three projects making up a package that won funding from Cycling Grants London last year (2016). The Library of accessories for family cycling and free cargobike loans has helped nearly 100 adults and nearly 90 children since it launched with the new funding in March 2017. Many Hackney LCC volunteers have kindly got involved to help out – and the project is always looking for more.

More info at www.carryme.org.uk/projects and contact hackneyfamilycycling@gmail.com if you'd like to volunteer at the Library, Tots Sessions, or the Rides.

A huge congratulations to Ruth-Anna who was also awarded '**Cycle Campaigner of the year**' for her outstanding work on a wide variety of projects and led rides this year.

Campaigns

Middleton Road and Queensbridge Road * Take action*****

There is a consultation out to install new traffic lights as part of QW2 on Middleton road/Queensbridge Rd. Our discussion can be found here <https://lccih.cyclescape.org/issues/2987-queensbridge-road-middleton-road-area-environmental-improvements> and Hackney's consultation is here: <https://consultation.hackney.gov.uk/streetscene/queensbridge-road-middleton-road/>

London Fields

The Council have just announced a raft of further measures to reduce motor traffic and improve conditions for school children in the London Fields area. These are listed below, and can be found at <https://hackney.gov.uk/london-fields-streets>

- [School streets](#)
 - [London Fields School Street and Bus Gate](#)
 - [Gayhurst School](#)
 - [Queensbridge Road School](#)
- [Queensbridge Road junction with Middleton Road](#)
- [Queensbridge Road](#)
- [Richmond Road](#)
- [Scriven Street](#)
- [Restricted turnings](#)
- [Design of width restrictions in Middleton Road](#)
- [Broadway Market](#)

Wick Road

We have yet to hear back, but our understanding is the consultation was in favour of protected cycle lanes and the largescale removal of on street parking. Hopefully we will have an update in the new year.

Monthly meeting venue:

We meet on the first Wednesday of every month at 7.30pm

Venue is Pembury Community Hall Atkins Square, Dalston Lane

London

E8 1FA
