### LEADERSHIP LESSON

Your children will learn that they should show love to others.

### LEADERSHIP STORY

The story of the sheep and the goats -  
Matthew 25:31-46

### WHAT DO I DO?

Have your children watch the Leadership Video, *I Should Show Love*.

### ADDITIONAL ACTIVITIES FOR THIS LESSON:

- Ask your children the Leadership Questions.
- Read the Leadership Story, found in Matthew 25:31-46, to your children.
- Do the Optional Family Activity.

### OPTIONAL FAMILY ACTIVITY: THE LOVE GIVEAWAY

Play a version of "Hot Potato" using a soft ball or bean bag. Tell your child that the ball is "Love," and that the object of the game is to give away the love before the timer stops.

Set a timer for about 20-30 seconds. When the timer rings, the person holding the "love" ball can tell a way to show love. For example, you could say, "To show love, I could hug someone." Play until everyone in the family has a chance to be caught with the "love" ball and they tell how to show love.

After the game is over, commit to show love to someone outside of the family during the upcoming week.

### MEMORY VERSE:

Help your children memorize this verse.

*"Jesus said to the people who believed in him, 'You are truly my disciples if you remain faithful to my teachings.'"*

*John 8:31(NLT)*
