#### OPTIONAL FAMILY ACTIVITY: PEOPLE WATCH

Go to a crowded place with your children this week. Watch the people together, then talk about all the ways they are different. Point out different heights, different skin colors, different hair lengths, etc. Then discuss how God made all of us to be different and special, and how He loves us very much.

- Did everyone you see look the same? (*No.*)
- What was different about them. (*Some were taller. Some had shorter hair. Their skin colors were different.*)

God made people and said they were very good. We can thank God for making all different kinds of people.
