

# Powerful Lay-Driven Ministry to Grieving People

## What Is GriefShare?

GriefShare is the ideal way for your church to help people heal after the death of a loved one. Here's why:

- You can launch it quickly
- GriefShare provides everything you need
- Lay volunteers lead GriefShare—so it requires minimal staff time
- GriefShare is an effective outreach to your entire community
- Points group members to Christ as the source of healing

## Here's What People Are Saying

*"We have seen so much healing." –Pastor*

*"We get to witness transformation and changed lives." –Facilitator*

*"One of the main groups we provide as an outreach to the community."  
–Pastor*

*"I love that this program puts the focus on Christ." –Facilitator*

*"It's one of the best things I've seen for people who are hurting." –Pastor*

## How Does GriefShare Work?

Over 13 weeks, these components help GriefShare participants find help, hope, and healing:

### Christ-Centered Video Instruction

Group members meet for 13 weekly sessions. During a typical meeting, they view a video about grief issues featuring leading Christian grief recovery experts and the stories of people who have healed from the death of a loved one.

### Group Discussion

After the video, participants discuss what they've seen. They also share the challenges they're facing and the victories they're experiencing.

### Personal Workbook Study

Each GriefShare participant also receives a workbook. Its daily Bible study helps them discover what God says about their situation. During group discussion, participants are encouraged to share what they're learning from their Bible study.

## 30-Day Satisfaction Guarantee

The GriefShare kits are sold with a 30-day guarantee. If you are not satisfied with your purchase, return it to us for a refund (excluding shipping charges). The 30-day return policy does not apply to items purchased in addition to the kit. Returns for other materials will be accepted only if they are damaged or defective.

*If you open your group to your community, about 50% of the people who come each week may be non-Christians!*

**The best thing out there for grieving people.**
