How Does Single & Parenting Work?

Over 13 weeks, these components help Single & Parenting participants find practical help, support, encouragement and hope:

Christ-Centered Video Instruction

Participants meet for 13 weekly sessions. During a typical meeting, they view a 40-minute video. Each one features insights from respected Christian experts and single parents.

Group Discussion

After the video, participants discuss what they've seen. They also share the challenges they're facing and the victories they're experiencing.

Personal Workbook Study

Each Single & Parenting participant also receives a workbook. Its daily Bible study helps them discover what God says about their situation and how to apply His word to daily life. During group discussion, participants are encouraged to share what they're learning from their Bible study.

30-Day Satisfaction Guarantee

The Single & Parenting kits are sold with a 30-day guarantee. If you are not satisfied with your purchase, return it to us for a refund (excluding shipping charges). The 30-day return policy does not apply to items purchased in addition to the kit. Returns for other materials will be accepted only if they are damaged or defective.
