ALL OPTIONS

This static sample form has been modified for offline access. All sections of the form are visible. Sample forms are for reference only.

Describe the dedicated recycling storage areas in the project space. Include the size of the area, accessibility, and expected volume for the project space, as well as collection frequency. Demonstrate that recycling storage areas are appropriately sized and located.

The recycling storage areas are sized for the following material types:

- Paper
- Corrugated cardboard
- Glass
- Plastics
- Metals

A floor plan highlighting recycling storage areas is required to document credit compliance. The floor plan below is a linked submittal. (If no document is present, you may upload one now.)

Select one of the following:

Upload L-1. Provide the representative floor plan for the project space.

Files:

- The representative floor plan uploaded above adequately highlights the recycling storage areas.
- A different document is better suited to satisfy this requirement.

Upload MRp1-1. Provide a floor plan highlighting the recycling storage areas in the project.

ADDITIONAL DETAILS

- Special circumstances preclude documentation of prerequisite compliance with the submittal requirements outlined in this form.

SPECIAL CIRCUMSTANCES

Describe the circumstances limiting the project team's ability to provide the submittals required in this form. Be sure to reference what additional documentation has been provided, if any. Non-standard documentation will be considered upon its merits.

Upload MRp1-SC. Provide any additional documentation that supports the claim to special circumstances. (Optional)

Files:

- The project team is using an alternative compliance approach in lieu of standard submittal paths and/or documentation.

ALTERNATIVE COMPLIANCE PATH

Describe the alternative compliance path used by the project team. Include justification that this path meets the prerequisite intent and requirements. Be sure to reference what additional documentation has been provided, if any. Non-standard documentation will be considered upon its merits.

Upload MRp1-ACP. Provide any additional documents that support the alternative compliance path approach. (Optional)
