

Professional Credential

LEED AP ND

The LEED AP ND credential is for professionals participating in the design and development of neighborhoods that meet accepted high levels of environmentally responsible, sustainable development.

PREPARE

Resources from the U.S. Green Building Council help you build the level of knowledge you'll need to prepare for the LEED AP ND exam.

Courses

ND 201: LEED for Neighborhood Development: Sustainability Beyond Buildings (online)

ND 251: Understanding the LEED for Neighborhood Development Rating System (in-person)

ND 252: LEED for Neighborhood Development Credit-by-Credit Review

Publications

LEED Reference Guide for Neighborhood Development

LEED AP Neighborhood Development Study Guide

APPLY

Go online to apply for the LEED AP ND Exam.

- Credential renewal every two years; includes a monthly, electronic subscription to EDC magazine.

MAINTAIN

LEED AP ND credential holders are required by GBCI to complete and report 30 Continuing Education (CE) hours each reporting period; 6 hours must be LEED-specific.

Course

ND 301: Implementing the LEED for Neighborhood Development Rating System (in-person)

Webinar Subscription

Individual LEED AP with Specialty Subscription: Earn 30 CE hours

Self Study

Independent review of material: Earn 5 CE hours per period

Greenbuild International Conference & Expo

Full Conference and Expo registration: Earn 15 CE hours at Greenbuild every year
