### **Alumni Relations Survey**

Alumni, in our efforts to be Committed to Lives of Excellence we are constantly seeking new ways and avenues to improve ourselves. One of these new avenues we are looking to improve in is the chapter's relationship with you all, our esteemed Alumni. In order to determine the direction to precede down this new avenue, we would like to receive feedback from you all. If you could take 5 minutes out of your busy to fill out this [SURVEY](#), it would be greatly appreciated.

If you have more feedback to provide on top of the survey, you can send your feedback to:

### **Relay for Life**

For the past 2 years, Gamma Psi chapter has been the leader in raising money to help the fight against through the American Cancer Society's Relay for Life event. This year we have teamed up with the sisters of Alpha Xi Delta in an effort to raise \$10,000 to donate. We are seeking donations from our Alumni to help us in this goal. All donors will receive recognition on our webpages along with a personalized thank you note from the chapters. You can donate directly to our group using the following link: [http://main.acsevents.org/site/TR/RelayForLife/RFLCY15SA?team\\_id=1740797&pg=team&fr\\_id=64185](http://main.acsevents.org/site/TR/RelayForLife/RFLCY15SA?team_id=1740797&pg=team&fr_id=64185)

### Welcome to our Newest Pledge Class!

The Gamma Psi chapter is proud to be coming off a strong fall rush where we have added 3 new pledges to our fraternity this spring. Godwin Chan is a 1st Year Mechanical Engineer from Columbus, Ga. Jacob Dvortsyn is a 1st Year Chemical Engineer from Cherry Hill, NJ. Alex Mangual is a 2nd Year Mechanical Engineer from Cortlandt Mano, Spain. Once initiated, the chapter will experience a positive growth in membership over this academic year.

### Graduating Brother Spotlights

This last Fall, we were both happy and sad to have the following brothers join the rank of our many Gamma Psi alumni: Christopher Leinweber ΓΨ 1596, Carlos de Cardenas ΓΨ 1609, Noah Brunk ΓΨ1599, and Georgia Southern Affiliate Jonathan Lieberman ΓΨ 1609A.

After graduating Tech with a perfect 4.0 GPA and receiving his degree in Material Science degree, Christopher is moving to the Houston area where he will begin working full-time with Chevron in its Energy Technology Company. During his time at Gamma Psi chapter, Chris served as Director of Academic Affairs and as our PR/Alumni Chair.

Carlos (Charlie) de Cardenas graduated with Honors and received his degree in Chemical Engineering. He will also be moving to the Houston area to work full time with Philips 66 in their Lubricants Division. During his time at Gamma Psi chapter, Charlie served as Philanthropy Chair, Vice President, and also served as Vice President of Programming on IFC.

Noah Brunk graduated with Highest Honors and received his degree in Mechanical Engineering; however, before moving to California to begin his career as a Structures Engineering for SpaceX Noah is working towards receiving his Masters of Mechanical Engineering from Georgia Institute of Technology. During his time at Gamma Psi, Noah served as the chapter's Sergeant at Arms

Jonathan Lieberman graduated with his degree in Mechanical Engineering. He is moving to South Arkansas to begin his full-time career at Lockheed Martin in its Missile Fire and Control Division. During his time at Gamma Psi, Jonathan served as Philanthropy Chair and as Recruitment Chair.

The average salary for this most recent graduating class is \$80,000.
