

Beta Alpha Psi - Lambda Beta Chapter

The University of Tampa ♦ John H. Sykes College of Business

Breakfast with BAP

In an effort to help develop our candidates and members professionally, our chapter hosts weekly chapter meetings with a formal presentation made by a firm. However, Beta Alpha Psi understands that not all firms can attend our Wednesday meetings at 4:00p. Thus, in an effort to accommodate the firm's interest as well as its availability, Beta Alpha Psi utilizes firm-sponsored networking breakfasts. We have not only experienced great success with these events in the past due to its intimacy, but we also encourage them as well.

Typically, this type of event occurs on Tuesday mornings, or at a date that accommodates the schedule of the firm, at the University of Tampa from approximately 8:30a to 10:00a. In terms of attendance, a firm can expect up to 20-25 Beta Alpha Psi candidates and members in our Binnicker Board Room in the Sykes College of Business. Ideally, the firm would provide a light breakfast that can be enjoyed while networking. It is also at the firm's discretion if it would like to include a brief presentation about the firm and its potential opportunities.

***Be advised that a firm can host a networking breakfast as well as attend a chapter meeting.*

If you or your firm is interested in hosting a firm-sponsored breakfast, please email our Executive Vice President, Christina DeMaio, with the following details:

Preferred Date

Ideal Attendance Number

Presentation Topic (If Applicable)

Desired Grade Level

Additional Requests

Thank you in advance for your newfound or continued support. On behalf of Beta Alpha Psi, we look forward to working with you on your upcoming visit to the University of Tampa.
