

Beta Alpha Psi - Lambda Beta Chapter

The University of Tampa ♦ John H. Sykes College of Business

Firm Office Tours

In an effort to help develop our candidates and members professionally, our chapter hosts weekly chapter meetings with a formal presentation made by a firm. However, Beta Alpha Psi understands that not all firms can attend our Wednesday meetings at 4:00p. Thus, in an effort to accommodate the firm's interest as well as its availability, Beta Alpha Psi utilizes office tours as a way to gauge interaction with interested firms. We believe this is a great networking event that allows students to see firsthand, the culture of the firm. Not only that, but office tours are another great way for firms to network with our students before or after interviews.

Typically, this type of event occurs on Thursday mornings, or at a date that accommodates the schedule of the firm, at the firm's location from approximately 8:30a to 10:00a. In the past, firms have included light breakfasts, networking, staff panels as well as office tours. If time permitted, firms also made brief presentations on upcoming opportunities.

***Please be advised that it is at the firm's discretion to decide how the morning would run.*

If you or your firm is interested in hosting an office tour, please email our Executive Vice President, Christina DeMaio, with the following details:

Preferred Date

Ideal Attendance Number

Desired Grade Level

Additional Requests

Thank you in advance for your newfound or continued support. On behalf of Beta Alpha Psi, we look forward to working with you on your upcoming visit to the University of Tampa.
