Bible books like Song of Solomon proclaim the utter bliss of marital love. You will find it lauded in the Proverbs, too. New Testament passages lift high this heavenly institution (Eph. 5:23; Ti. 2:4-5; Heb. 13:4). God knows what makes us tick, and so He has provided the means to our happiness. This includes our basic needs of companionship, affection, and intimacy. As much as is within our control, may we invest the time, effort, energy, and money to build better marriages.
