We do not say these things to boast, though we are proud of each of you. We say them to acknowledge that God is working through and blessing this congregation as we try to do His Will, please Him more, and give Him all of the glory.

2018-2023. It has been a great (almost) five years. Let's all keep pulling together in love and unity. Isaiah 40:31 - But those who hope in the Lord will renew their strength. *They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.*

June came quickly. What about the second half of 2023? Remember to keep God in your plans.

On another note, and in closing, your elders have an important comment about Sunday, June 4, 2023. We are moving in a great direction, thanks to God Almighty. However, Lehman Avenue may never see another man that so embodies the term "elder" in such a complete and balanced way as Bobby Gilbert, who resigned on June 4. His presence in the eldership will be missed. Yet, we know Bobby will continue to be a great asset and friend to this congregation and to each of us individually. Bobby, we wish for you a bright and happy future. We are very thankful for you.
