I am sad! Something went wrong, is your network connection unstable or your browser outdated? Did something go wrong, is your network connection unstable or is your browser outdated? As the Martians say, when grammar is over, the music ???? I'm sorry it took me so long to prepare another collection of music for those who prefer to hon their Persian skills by listening to Persian songs. I promise to wait for this new collection, which comes with 10 MP3 files carefully selected for educational purposes! Each song is accompanied by two PDF files, one of which includes lyrics, translations and English translations in Persian; the other includes vocabulbul singers and English translations of lyrics. In situations I found useful, I gave examples to help you understand how to use words in a sentence (see examples below). I trust you will find this method of useful learning. Let me .com for your continued support, both easypersian, your stay in the United Year and the continued continued standing of this website. Respectfully and warmly regarded, Hassan *** The total cost of this collection is €12 (60 cents per PDF file), which, after receiving the order, will dropbox you.
