Chemical Resistance to	Acids, Solvents, Petroleum Products
Warranty	5 year limited
NSN Number	8340-01-445-6833

STRONG 
PortaFloor TURF™ supports over 28,000 psf (200 psi) and is the best light weight portable temporary flooring system in the world.

ROLLABLE 
PortaFloor TURF™ is designed to roll in to place for quick installations and removals. SSC creates a firm flooring surface that protects and keeps debris away from the surface below.

EASY - 1 2 3
PortaFloor TURF™ locks together for firm and stable support. SSC is the perfect solution for tent and portable structure flooring when quick installations are a necessity.

GREEN 
PortaFloor TURF™ is 100% recyclable. SSC was designed to support today's zero footprint and green initiatives. All PortaFloor products have been submitted for Environmental Product Declarations (EPD), and Life Cycle Assessments (LCA) that provide benchmarks for continuous improvement, innovation and LEED credits.
