NOTICE OF SPRING ELECTION AND
SAMPLE BALLOTS

April 3, 2018

Notice is hereby given of a School Board Election to be held in City of Elroy, Townships of Fountain, Plymouth, and Wonewoc, Juneau County; Village of Kendall, Townships of Clifton, Glendale, Wellington, and Wilton, Monroe County; Township of Hillsboro, Vernon County, on Tuesday, the 3rd day of April, 2018, at which the officers named below shall be nominated. The names of the candidates for each office whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column.

INFORMATION TO ELECTORS
Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth and cast his or her ballot, except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice. At the School Board Election, where paper ballots are used, the elector shall make a cross (X) in the square next to the name of the candidate for whom he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the person of his or her choice in the space provided for a write-in vote. Where touch screen voting systems are used, the elector shall depress the button next to the name of the candidate for whom he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall type in the name of the person of his or her choice in the space provided for a write-in vote.

The vote should not be cast in any other manner. If the elector spoils a paper ballot, he or she shall return to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. The elector may spoil a touch screen ballot at the voting station. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the elector in casting his or her vote may be taken into the booth or copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked. After an official paper ballot is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The elector shall leave the booth, deposit the ballot in the ballot box, or deliver the ballot to an inspector for deposit, and shall leave the polling place promptly. After an official touch screen ballot is marked, the elector shall leave the polling place promptly. An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.
