2022 FAIR GUIDE

Summer Fun At The Lamar Free Fair

Welcome to the 79th Annual Lamar Free Fair, a time where we celebrate our community and usher in the fall season. As always our city employees will work to make the fair enjoyable for all. We are truly blessed to continue this long tradition in a time when many traditions are fading. While the price of goods and services continue to rise, one thing we can count on are the free entertainment options; bands, shows, parades, contests, and simply visiting with old friends.

Last year I shared with you my old fair memories. This year I want to focus on our future as a community. In the next few months we will have a new water supply, new Lamar City Hall, and other city upgrades. Additionally, we have partnered with Sandlot Baseball to host two multi-division baseball tournaments bringing hundreds of baseball parents and fans to our town. It is my hope we can continue to add more events, such as softball, in the near future. The city will continue to focus on and support other events and services that improve the quality of life for the people of Lamar.

Lamar is also greatly improved by the effort and contributions of our local businesses and business leaders. They more than anyone (including the city) drive the future of our community. Beyond providing jobs, our local businesses generously support many needs throughout Lamar and the surrounding community. They make things possible like; Wyatt Earp Park, kids' programs, and help for those in need.

In a time when media and global corporations try to call evil good, and good evil, we should tamp down those voices and enjoy all the Lamar Fair and the City of Lamar has to offer. Once again, we will use this time to celebrate our farmers, businesses, sports teams, bands, churches, schools, civic organizations, and each other.

Enjoy And Have Fun!

Sincerely,
Mike Hull
Mayor
