About Venue

Dubai is a city and emirate in the United Arab Emirates known for luxury shopping, ultramodern architecture and a lively nightlife scene. Burj Khalifa, an 830m-tall tower, dominates the skyscraper-filled skyline. At its foot lies Dubai Fountain, with jets and lights choreographed to music.

Regarded to be one of the world's foremost business hubs, what makes Dubai a great venue for an international conference, symposium, seminar or any other sort of academic event, is the fact that most of Dubai's hotels offer unrivaled convention centers and business amenities.
