Purpose

Life Pacific College's Worship Arts program prepares women and men by offering a degree specifically designed from a Spirit-filled perspective and which considers these new complex realities.

The program educates students to serve Christ in the Church, workplace, and the world as biblically minded, well-educated, and professionally competent men and women of character. Possible

careers include: worship pastor, singer/songwriter, creative arts director, drama, recording industry, music teaching, performance, and more!
