OVERVIEW

The Master of Arts in Strategic Leadership (MASL) serves leaders who have a bachelor's degree and desire to pursue further specialized education and develop additional skills in leadership and ministry.

DESIGN

The MASL is designed to provide field-based leaders with necessary skills to increase their effectiveness in their current and future roles in ministry and leadership. Ideal students are those who demonstrate a significant commitment to ministry and organizational leadership.

FORMAT & SCHEDULE

Students go through the program as part of a cohort of 12 to 20 people. The cohort moves as a group from class to class through the sequential, 36-unit curriculum. Students begin the program with a one-week on-campus residency, followed by four weeks of online work. They then transition to a series of five eight-week-long online courses that are scheduled one at a time, back to back.

The program's second year follows the same structure, with one week of residency, four weeks of online work to complete the residency coursework, and five more eight-week-long classes. Cohorts begin in January and July. The academic schedule allows for several weeks' break at Christmas/New Year's and during late June/early July.
