Her mastery of celebrating triumph through adversity has become a mission to nurture the hearts and spirits of women globally. Leslie's specialty is helping women who serve others reframe their past and turn it into an empowerment tool that helps them create a larger impact. Her clients experience significant breakthroughs they can immediately apply to their business. Leslie loves to help women feel safe, peaceful, and powerful. She is a master at teaching women how to step into a new state of certainty with confidence and clear boundaries.

"I initially resisted telling my own story but found it very therapeutic. I did a lot of healing by allowing the words to get down on the page."

Tricia McAvoy
Blissworks Yoga & Healing Arts

"Leslie never let me lose sight of the higher purpose of my story. I am now free from the secrets that held me captive."

Susan Angelo
Shamanic Spirit Song

"Thank you for watching my back, holding my heart and keeping sacred space for my soul while I dared to speak my truth."

Joell A. Jacob
Singer/Songwriter, Actor, Artist

"Leslie helped me gain clarity on who I'm meant to serve and how powerful my story is. Thank you Leslie!"
