V. Championships and Awards

- A. Division Standings
 - 1. A championship plaque shall be awarded to the winner at the Varsity level only of each Division.
 - 2. The Division Champion will be determined by points awarded during the dual meet season, and the Divisional Championship Meet. Each portion will count equally toward the total possible points to be earned. One (1) point will be awarded for each dual meet win during the regular season. In case of a tie at a dual meet, a 1/2 point will be awarded to each team. Divisional Championship Meet points will be awarded according to the team's place in that meet. Points for each place will be determined by the following formula:
 - 1st place points - Total teams competing in this sport minus one.
 - 2nd place points - Total teams competing in this sport minus two.
 - 3rd place points - Total teams competing in this sport minus three.
 - 4th place points - Total teams competing in this sport minus four.
 - Etc.
 - Example: 7 team division; dual meet record 5-1 and 1st place finish in Championship Meet would equal 5 points for dual meet wins and 6 points for finishing first (7 teams minus 1 = 6 points), total points would be 11; a team with a 6-0 record and a 2nd place finish would have 6

points for the dual meets and 5 points for 2nd place, total points would also be 11.

3. If two (2) or more teams are tied for a place in the Divisional Championship Meet, the points awarded to each team will be determined by adding the points for the places tied and dividing that value by the number of teams tied. For Example, if three (3) teams were tied for 2nd place, add the 2nd place points (5 points), plus 3rd place points (4 points), plus 4th place points (3 points). Divide that total (12 points) by three (3 teams) equals four (4 points) awarded to each team.
4. In case of a tie for first place, there will be co-champion.

B. Individual Awards

1. Individual events

- a. Varsity - top four (4) places will receive medals and will be declared "Medalists".
