Appendix of CTE Courses for Which Learning List Is Accepting Materials to Review
Learning List reviews materials that both have and have not been submitted for state adoption.

Agriculture, Food and Natural Resources
- Advanced Animal Science
- Agricultural Mechanics and Metal Technologies
- Floral Design
- Principles of Agriculture, Food, and Natural Resources
- Wildlife, Fisheries, and Ecology Management

Architecture and Construction
- Construction Technology I
- Interior Design I
- Principles of Architecture
- Principles of Construction

Arts, Audio/Video Technology and Communications
- Animation I
- Audio/Video Production I
- Graphic Design and Illustration I
- Principles of Arts, Audio/Video Technology, and Communications
- Professional Communications

Business Management and Administration
- Business Information Management I and II
- Principles of Business, Marketing and Finance
- Touch System Data Entry

Career Development
- Career Preparation I and II
- Investigating Careers
- College and Career Readiness
- Project-Based Research

Education and Training
- Human Growth and Development
- Instructional Practices
- Principles of Education and Training

Finance
- Accounting I and II
- Banking and Financial Services
- Financial Mathematics
- Money Matters
- Statistics and Business Decision Making

Health Science
- Anatomy and Physiology
- Health Science Theory
- Medical Microbiology
- Medical Terminology
- Pathophysiology
- Principles of Health Science
Appendix (cont.)

Hospitality and Tourism
- Culinary Arts
- Food Science
- Principles of Hospitality and Tourism

Human Services
- Child Development
- Child Guidance
- Cosmetology I and II
- Dollars and Sense
- Interpersonal Studies
- Lifetime Nutrition and Wellness
- Principles of Human Services

Information Technology
- Computer Programming I
- Digital Media
- Principles of Information Technology
- Web Technologies

Law, Public Safety, Corrections, and Security
- Forensic Science
- Law Enforcement I and II
- Principles of Law, Public Safety, Corrections and Security

Manufacturing
- Welding I and II
- Principles of Manufacturing

Marketing
- Entrepreneurship
- Sports and Entertainment Marketing

Science, Technology, Engineering, and Mathematics
- Biotechnology I
- Principles of Applied Engineering
- Digital Electronics
- Engineering Design and Presentation I
- Engineering Design and Problem Solving
- Engineering Mathematics
- Engineering Science
- Principles of Technology
- Scientific Research and Design

Transportation, Distribution, and Logistics
- Automotive Technology I: Maintenance & Light Repair
- Energy, Power, and Transportation Systems
- Principles of Transportation Systems
- Principles of Distribution and Logistics
