Income as a Retailer

- 1) Customer comes to the shop and ask for money. Customer Swap debit card of 3000 Rs, you charge from customer 30 Rs extra. 9 Rs will be paid by us as commission. So, you earn 39 Rs.

2) 30 such customers can make = $39 \times 30 = 1170$ Rs/day

3) Income per month = $1170 \text{ Rs} \times 30 = 35,100$ Rs

Per Month Income as a Retailer is **35,100 Rs**

Income as a Distributor

Let's say you sell 100 machines in a year. You will earn 0.5
Rs per Transaction.

~~You are not a Retailer.~~ You are a Distributor.

- 1) GST Franchise will become distributor and sell these machines in his/her area.
- 2) All machines will be sold by GST Suvidha Kendra Franchise Only - No Retail.
- 3) Retail selling will be done by our company only when we do not have any GST Suvidha Kendra in the area.
- 4) For each machine sell, GST Suvidha Kendra can earn from 1500 Rs to 3000 Rs one time and recurring income.
- 5) GST Suvidha Kendra Franchise can put a Flyer to Micro ATM buyer & get leads from the local area.
- 6) The cost of Micro ATM Distributorship is 15000 Rupees one time but with GST Suvidha Kendra License, this is absolutely free for limited time. You need to buy GST Suvidha Kendra License to get this distributorship.

- ✓ Average Number of Transactions Per Machine / Day = 40
- ✓ Earning on Each Transaction = 0.5 Rs.
- ✓ Earning from One Machine /Day for 40 TX's = $40 * 0.5 = 20$ Rs.
- ✓ Total Number of Machines Sold = 100
- ✓ Earning with 100 Machines/ Day = $100 * 20 = 2000$ Rs/Day
