Earning from Loans

When a prospect comes to your office/shop for loan requirements, our system validates whether or not the person is eligible for the loan based on income and liability. This is called viability report. This report is free.

If viability report is good, then system verify the CIBIL report of the person. We charge 100 Rs from you for doing this and you can charge 500 Rupees from the customer. If CIBIL Score is greater than 550, then you can collect the required document from the person & upload on our CRM software. No need to collect the physical documents only soft-copies. If a loan is sanctioned then you get desired commissions.

So, loan is approved or not, you can earn 500-100 = 400 Rs from each customer.

जब ऋण loan आवश्यकताओं के लिए आपके कार्यालय / दुकान में कोई customer आता है, तो हमारी system यह सत्यापित करती है कि व्यक्ति आय और खर्चों के आधार पर ऋण के लिए पात्र है या नहीं। इसे व्यवहार्यता Validity रिपोर्ट कहा जाता है। यह रिपोर्ट निशुल्क है। यदि व्यवहार्यता Validity रिपोर्ट अच्छी है, तो सिस्टम व्यक्ति की CIBIL रिपोर्ट को सत्यापित करेगा। ऐसा करने के लिए हम आपसे 100 रुपये लेते हैं और आप ग्राहक से 500 रुपये ले सकते हैं। यदि CIBIL स्कोर 550 से अधिक है, तो आप व्यक्ति से आवश्यक दस्तावेज एकत्र कर सकते हैं। यदि कोई ऋण लोन स्वीकृत हो जाता है तो आपको वांछित कमीशन मिल जाता है।

तो, लोन approved स्वीकृत है या नहीं, आप प्रत्येक ग्राहक से 500-100 = 400 रुपये कमा सकते हैं।
