

Financial Aid/Scholarship Appeal and Negotiation Service

Thank you for your interest in our services! Please review the below choices.

Option 1 - Flat fee. \$750. Comprehensive strategic consultation to gather facts necessary to craft a compelling argument why you deserve more funding. We will draft the letter, you will edit it, we will eyeball it once more. Then we will support you throughout the rest of the process, coaching you every step of the way. We recommend *against* having us communicate directly with the financial aid or admissions office.

Option 2 - Contingency. Deposit of \$450 PLUS 20% of the documented increase between your initial award and your final, revised award - grants & scholarships only (not loans) , one time only. We do participate in any increased amount in subsequent years unless otherwise agreed. All services in Option 1., above.

Note: by engaging us via Option 2. you hereby certify and acknowledge that *you are obligated to share immediately (within 48 hours) all communications received from the financial aid, admissions office or any school communication that pertains to your award.* We are acting in good faith and expect you, as client, to do the same.

You hereby agree that if 30 days lapse after you commence the appeal process and we cannot reach you, we will presume that you received an increase of \$5,000 and will charge your credit card \$1,000, representing the balance of the contingency fee owed after the initial deposit. PLEASE NOTE: Although we use our best faith efforts to “screen” potential clients, and turn away those whom we, using our best judgment, determine would not be a good fit for our services, **we cannot guarantee any results or favorable outcome.** Even though other of our clients have achieved great results, this in no way means that YOU will succeed in the same way. Your results could be worse, or better.
