

LOYOLA BASKETBALL

A Letter to Incoming Freshmen from Loyola Varsity Basketball Coach Jamal Adams '90

UPDATED JUNE 15, 2020

Congratulations and welcome to Loyola High School! My name is Jamal Adams, I am a Loyola alumnus from the Class of 1990, and I have been coaching in the Loyola Basketball program for more than twenty years. This will be my 15th year as head coach of the Cubs, and I am excited to be welcoming you to our program.

Unfortunately, due to the continued uncertainty around our return to athletic activities at Loyola High School this summer, we will be postponing the incoming frosh basketball workouts until further notice. Our hope is that, as we work our way through protocols for return to play, we will have updates for you as the summer progresses. Please refer to the [Incoming Frosh Athletics](#) page on the Loyola website for any new information.

Thank you for your interest in the Loyola Basketball program. I hope to see you this fall.

Go Cubs!

Jamal Adams '90
