Scheduling Your Concussion Baseline Appointment

Please follow ALL instructions to schedule an appointment for a Concussion Baseline.

IMPORTANT INFORMATION

- ALL students are required to complete a concussion baseline, whether or not they participate in athletics.
- DO NOT pick more than one time slot per student. We have several people performing baselines and can accommodate several students at a time.
- Baselines take approximately 10 minutes to complete.
- Please report to Burns Library/ Hannon Information Center for your appointment.

How to Register:

- Enter your E-mail address and create a password.
- Then click on the “Login/Create Account” button.
- Fill in the required information to register. Please use STUDENT’S NAME when scheduling.
- Click the “OK” button to register.
- Once you have registered and clicked the appropriate window, you will see all available appointment times. Only open appointment times will show. If no times are showing, that means all times have already been booked for that particular slot.
- If a time slot is available, the time will show. To select, simply click on the slot you want.
- Please only pick one time slot for a student.
- You can choose to have a reminder email sent to you prior to your appointment.
- Click on the “Create Appointment” button. This will confirm your appointment for the date and time you selected.
- To end your session, select the “Logout” button.
- You will receive an email confirming your appointment.
