

# Morning Til We Sleep

Key - E

Written by Tyler Clarensau

**C#m** **A**  
Our hearts will sing, that you are holy And our lives will scream, that you are worthy  
**E** **A**  
We'll worship you from morning til we sleep

**INSTRUMENTAL: E - F#m - E/G# - A**

**E** **F#m**  
Oh, you are a God who meets us where we are  
**E/G#** **A**  
Because of the cross, we are free  
**E** **F#m**  
Made righteous by your blood A death so rich in love  
**E/G#** **A**  
A sacrifice that we could never be

**F#m** **C#m** **B**  
So here we are, offering our days to you A breathing sacrifice of praise

**C#m** **A**  
Our hearts will sing, that you are holy And our lives will scream, that you are worthy  
**E** **A**  
We'll worship you from morning til we sleep  
**E** **B/D#**  
Our hearts will sing, that you are holy And our lives will scream, that you are worthy  
**C#m** **A**  
We'll worship you from morning til we sleep

**E** **F#m**  
Lord, as we respond To all you've done for us  
**E/G#** **A**  
Here are our lives, an offering  
**E** **F#m**  
Every waking breath, every thought we have  
**E/G#** **A**  
Let them be pleasing to you

**F#m** **C#m** **B**  
So here we are, offering our days to you A breathing sacrifice of praise

**INSTRUMENTAL BEFORE BRIDGE: E - F#m - C#m - A**

**E** **F#m** **C#m** **A**  
Here we are offering our bodies to you, our god This is our worship
