Airport Planning Intern

Job Location: Philadelphia, PA

AECOM is actively seeking a highly talented and hardworking candidate for immediate employment in the Philadelphia, PA office. This is an excellent opportunity for someone looking to grow their career and contribute to an amazing company. The incumbent can look forward to a variety of exciting projects including: airspace, airside, terminal, landside, and environmental components contributing to both the immediate development needs of an airport (such as terminal gate modifications) to long range master planning.

Gain Valuable Experience In:

**The growing aviation industry
FAA Advisory Circulars
Aircraft gate parking knowledge
ALP preparation
GIS, Sketchup, InDesign, and/or Illustrator
AutoCAD and aviation simulator tools**
