

2nd Annual Davey Collegiate Day

October 26th - 27th, 2026

6700 OH-43, Kent, Ohio 44240

Engineering Workshop

Event Information

Mon, Oct 26th 4:30 PM - 8:00 PM

Join us in the afternoon for a catered dinner on Campus followed by faculty & student networking opportunities

Tue, Oct 27th 7:30 AM - 4:00 PM

Enjoy a full day on Davey's SEED Campus with us, touring the facility, discovering the Engineering services Davey provides our clients nation-wide, and learning more about our Career Pathways. Hosted by the Davey Resource Group's Utility Asset Management Team, highlights include:

- **Discover Davey's Engineering Services:** Learn how Davey Engineers work to keep the world connected & powered up! Join our engineering team for hands-on activities & discover how we leverage advanced field collection technologies, GIS mapping, & specialized engineering software to design & upgrade critical utility systems. From power distribution & communication system design to pole loading analysis (PLA), broadband fiber deployment, and emergency storm response, explore how our multidisciplinary team delivers real-world engineering solutions. Come test your skills, network with our team, and see how we build a more resilient future!
- **Career Pathways & Panel Discussion:** Hear real-world insight on Davey's Engineering Career Pathways from our team of Engineers and bring your Resume for a one-on-one advisement with our talent development team.
- **Guided 200-Acre Campus Bus Tour:** Cruise through our expansive grounds to view the Canopy Walk, 30-acre bog, non-energized utility training spans, and active research plots.
- **Net-Zero Carbon Experience:** See sustainable operations in action—including a 2-acre solar array, eco-friendly stormwater management ponds, and preserved natural habitats.
- **Historic Barn & Executive Closing:** Visit our reconstructed historic barn event space to explore campus archives showcasing over 145 years of green industry leadership, and close out the day alongside Davey company leaders.
