Maintaining Your Home

Condominium ownership means that you are responsible for the space inside your walls. We all need to keep on top of maintenance and to watch major items like furnaces and hot water heaters. Neglecting these can have bad long term consequences that affect all of us. So here are a few things you can do to maintain your unit. Remember that water is the cause of most of the damage to our units, so be especially aware of leaks.

Furnace: Your furnace should be inspected once a year. ATCO gas offers no charge "advise and adjust" inspection checks. They will check that your furnace is operating safely and efficiently, is properly vented and has the necessary air requirements.

Check http://www.atcogas.com/Safety/home_safety/HomeHeating.asp for more information. Replace your air filter every three months for peak efficiency and to minimize dust. Have a professional check the humidifier on the furnace. The filter may need to be replaced and the hoses may need to be tightened.

Shower & Tub: If you have a one-piece unit that has the tub on one side and the shower next to it, you probably have an access port between the two. This port has a tendency to lose the seal that prevents water leaking between the tub and shower. Check that port and use silicon caulking to reseal the panel shut.

Air Conditioners: An air conditioner can make your condo livable. Models that exhaust through a hose are fine. Keep the filters clean for improved cooling and make sure that the drip tray collects any condensation. Please ensure your request has Board Approval for the installation of all Central Air Conditioners.

Renovations: Renovations such as flooring upgrades require approval from the Board of Directors in advance. If you are planning a renovation please contact Ayre & Oxford Inc. You should also contact your insurance broker to ensure that the upgrade is covered as a betterment or improvement. **ADVISORY: Buildings constructed prior to 1990 may have used building products containing asbestos. This was very common in many products. Please exercise caution when renovating. More information about asbestos and the products containing asbestos can be obtained at: <http://environment.gov.ab.ca/info/library/7635.pdf>**

Yards/Landscaping:

Owners are responsible to maintain, weed and water your own lawn and shrub/flower beds.

For the prevention of potential freeze ups, please take precautionary measures for winter months;

1. Check to ensure your heat is working daily.
2. If you are going to be away for an extended absence beyond 48 hours, ensure someone is checking your suite.
3. Do check your furnace room frequently to ensure the heat is working properly and that there are no leaks.
4. To prevent window frost up:
 - Ensure your heat can fully circulate through the suite.
 - Open blinds or heavy curtains to allow air flow.
 - Move furniture away from windows and patio doors.
 - Ensure the humidity levels in your suite are not too high.

AYRE & OXFORD INC.

Professional Real Estate Management

Accredited Management Organization®(AMO®)

- If you still have ice buildup, install a plastic winter kit on your windows.
- 5. Keep your thermostat set at a temperature which consistently maintains over 20 degrees in your suite.
- 6. In suite heating problems are the unit **owners'** responsibility. Please ensure that both your **thermostat** and **furnace** are in working order.
- 7. If you notice something is wrong call Ayre & Oxford for advice, and to report the issue.
- 8. If you have not already provided Ayre & Oxford with your contact information, or if you need it updated, please do so immediately. Having an up- to- date list can save you money, as in the event of an emergency, if we cannot reach you, or the occupant, we will contract a locksmith to provide entry.
- 9. Please note: Repairs due to freeze ups and any resulting damages will be charged to the unit owner responsible.

Insurance:

It is mandatory that all owners and tenants have proper condo insurance

The Condominium Corporation carries Real Property All Risk Insurance, which provides coverage to the full replacement value of all real property in the condominium complex. This policy does not cover the individual unit owner in two important areas:

- ✓ Insurance coverage on your personal belongings and
- ✓ Insurance coverage for personal liability
- ✓ Insurance on Betterments, or improvements

To protect these important areas you should purchase a Condominium Unit Owners Policy. This a package designed specifically for this unique type of ownership. Contact your insurance agent to ensure that your needs are adequately met.

Extended car pads and extended decks:

- Extended car pads and extended decks are not the Standard and at an Owner's cost to maintain and/or replace. Fireplaces are unusable. Please contact management if you would like more information.
 - Extended front entrance sidewalks that widen the car pad and extended decks in the backyards that are not the Standard, are an Owner's responsibility and cost to maintain and/or replace. Any sidewalk that is extended past the front step, more than the original sidewalk measuring is 39" (front to back) by 49 1/4" (side to side), is considered an upgrade and that extended portion is an Owner's responsibility to maintain and/or replace. The current Standard Decks' measure 146" by 136", any extensions to the Standard are an Owner's responsibility to maintain and/or replace.
 - The Corporation had the Fireplaces inspected in October 2021. Due to the age of the Complex, the Standard Fireplaces are unusable. Owners who wish to repair or convert the fireplace to gas or electrical, must fill out and send in a Renovation Request and receive approval.

Noise complaints:

Condominium living can be a new experience for some Owners and Occupants. For your reference, we would like to take this opportunity to remind owners and occupants of the current procedure in place for notification of noise complaints at Lorelei Close, should you experience noise causing you discomfort.

AYRE & OXFORD INC.

Police reports can be used to substantiate complaints should further action be required to rectify the issue and can also result in additional City Bylaw fines.

Types of common complaints:

- Late night / early morning exterior noise, which carries from balconies.
- Music and loud bass
- Dogs barking.
- Parties indoors with windows open during late nights.
- Banging / thumping late at night.

Parking

- No parking on lawns
- Visitor Parking is for **visitors only** not owners or residents
- No parking in fire lanes

Thinking of selling?

It happens – everyone's needs change over time. Note: When you are selling the real estate agent you work with or potential buyers are usually interested in some key documents:

Condo Bylaws
Previous AGM minutes
Insurance Certificate for building
End of year financials
Reserve Study

All these documents have been provided to owners in the past. By law you only have to make these available for VIEWING (by appointment at Ayre & Oxford) however to speed up the sales process most sellers keep a copy of the documents handy. Please remember that if you need this documentation reproduced there is a fee which can be \$300-\$400 depending on the needs of the buyer. So be sure to have your bylaws and keep your AGM information in a handy spot!
