About On-Site Maintenance Service & Personnel

Please note that Management employs maintenance personnel, ensuring that you have someone familiar with your physical property to address any site disturbances and complete a regular visual check on your property. If you notice parking, garbage or gate operation concerns that you would like addressed, please contact the Property Manager and/or Administrator, contact info on front page.

Outside of regular business hours, a rotating **after-hours emergency staff** is available from Management to assist you, however they are paid overtime rates and are available only using the **After-hours emergency line: 780-499-8424.**

Please keep in mind that many concerns you would have within your suite will be a unit owner's responsibility, as outlined in your bylaws. If personnel are called on-site solely to assist in completing an owner responsibility such as a leaking toilet, the Corporation may have to charge your unit back for their attendance.

If you are unsure whether your concern is an owner issue, and cannot find it in your bylaws, please ask the management office directly. **All non-urgent reports should be made via email or phone to the office for record purposes.**

Getting Started: FAQ's About Your Home

1. Emergencies

If there is a police / fire or medical emergency, call **911**.

Always request the incident number they have assigned to the call, and report this to Management.

Non-emergency reports of Noise or behavior disturbances should be made to Property Management the following business day for record purposes by way of the enclosed Complaint Form so as to ensure proper record keeping and progress tracking.

2. Keys & Access

Please note that we do not provide keys to your unit door, nor do we provide keys to the mailbox. We only distribute keys to authorized individuals, so if you rent out your suite and they contact us about additional keys without our records updated, we cannot distribute the key. Suite and mailbox locks/ keys are owner responsibilities to replace and maintain.

- a. Intercom programming changes: Send the enclosed form to Management.
- b. Additional remotes and fobs can be purchased from the Management Office for a fee, which is used to cover the expenses incurred by your Condo
 - Purchase an additional parkade FOB for (\$75.00)
 - Purchase an additional door FOB for (\$25.00)
 - Purchase an additional Garbage Key (\$25.00)

3. Move in / Out Etiquette:

- a. Book the elevator in advance by contacting Property Management. A key and elevator pads will be supplied to protect the elevator.

AYRE & OXFORD INC.

Professional Real Estate Management

Accredited Management Organization®(AMO®)

- b. Bookings are only between the hours of 9am and 9pm in consideration of other residents.
 - c. **A deposit in the amount of \$100.00 is required for the elevator key, which will be refunded immediately. Please note this must be in the form of a check as on-site staff, do not accept cash.**
 - d. Elevators held open, without a key cause major repair issues; therefore, if you are found holding open the door, **you will be charged** for the elevator company inspection and any resulting repairs required. These repairs have been known to be **in excess of \$500.00.**
 - e. Do not leave any doors propped open and unattended. Open doors must be attended at all times. This includes the elevator vestibule doors and the parkade overhead door.
 - f. Moving household goods in / out should be done with safety and courtesy. Any damages incurred will be the responsibility of the unit owner.
4. **Condominium Bylaws**
In order to familiarize yourself with the different rules and regulations governing your building, please take a little time to read over the Condominium Bylaws you would have received upon purchase. If you did not receive a copy, please request one from Ayre & Oxford Inc.

5. **Insurance:**

Change in Condominium Act

Prior to January 1, 2020, Condominiums in Alberta could charge back (or recover) the corporation's insurance deductible from a Unit Owner for damages that occurred if the Condominium Bylaws contained certain provisions. Most of the time the provisions required an act or omission (also referred to as negligence) of the unit owner, their guests, or tenants. With effect from January 1, 2020, the Condominium Property Regulations have changed allowing Condominiums to recover up to \$50,000 from a unit owner, if the damage "originates" in the unit, regardless if there was an act or omission.

Which deductibles can be recovered from owners?

Unit Owners should have their personal insurance agent review their Condominium Bylaws and pay attention to the Condominium Corporation's deductibles when negotiating their own coverage, specifically:

- Liability Deductible
- Equipment Breakdown Deductible
- Base Property Deductible. Sometimes called the "All Loss" deductible. This covers incidents such as fire, smoke damage, and other incidents that do not involve water.
- Water Damage Deductible. This covers pipe breaks, washing machine overflows, dishwasher leaks, and fridge line leaks. Important to note, the Condominium Corporation's "Flood" deductible is used when large bodies of water are involved (i.e. rivers and lakes) – not from pipe breaks although a unit owner may refer to his unit as being flooded.
- Sewer Backup Deductible.

How much can be recovered?

AYRE & OXFORD INC.

Professional Real Estate Management

Accredited Management Organization®(AMO®)

The maximum that can be recovered is \$50,000 or the amount of the deductible, whichever is lesser, regardless if the unit owners carry their own insurance.

Are there exceptions to the deductible recovery?

If the loss arose out of a defect in the construction of the unit, or from an act or omission of the Condominium Corporation, or just structural deterioration (wear & tear) then the owner could possibly not be liable for the deductible even if the loss originated from their unit.

For more information

Please see section 62.4 of the Condominium Property Regulations

6. Payments

Common Expense Levies (condo fees) can be paid via post-dated cheques, via the Corporation's CondoCafe, or by Electronic Funds Transfer. Payment for all other items including but not limited to move fees, fobs and keys, chargebacks, parking, etc. can be paid by CondoCafe or by cheque made out to:

Monaco
C/O Ayre & Oxford Inc.
#203 13455 114 Avenue
Edmonton Alberta, T5M 2E2

Please note that any payment that is returned is subject to a \$35.00 NSF processing charge, as well as any interest charges as set out in the Corporation Bylaws.

7. Garbage:

We strongly encourage everyone to recycle, and please be reminded:

❌ Please DON'T put your garbage beside the dumpster – it won't get picked up by the garbage folks and ends up being strewn across the property. If we have to hire someone to clean up garbage left outside the bin or in the building that cost gets passed on.

❌ Balconies, alleys and yards are not to be used for garbage storage or unsightly storage of any items

8. Speed Limits:

- The speed limit is 15 kilometers per hour in the parkade
- If you see someone speeding, please record his/her license number and call it in to the property manager.

9. Visitor Parking:

- Residents are not allowed to park in the visitors parking areas. Violators will be tagged and towed.
- Special circumstance extended stay permits can be obtained through the Management Company.
- No parking in fire lanes or obstructing individual garages.
- If vehicles are too frequently seen in visitor's parking for extended periods of time, a warning will be issued, and then that vehicle will be towed.

Contact Management About:

10. Noise and disturbance:

Daily living and its associated noises are expected and suggested to remain from 8am to 9pm. Outside of this timeframe should be quiet hours, keep in mind noise travels and for the comfort of other residents please keep it down.

Parties or activities beyond 9pm should be conducted with due respect to your neighbors. We want everyone to be able to enjoy the common property, so your courtesy in respect to noise levels is appreciated. If it gets noisy outside, take the party inside and close the door.

Owners with complaint regarding noise in a unit after hours are asked to call the police and report the incident number from that call to Ayre & Oxford the next business day. Please document the date, time and nature of the complaint with as much detail as possible.

11. In-Suite Tips:

Keep in mind that even items as simple as running your bathroom fans for at least half an hour after your shower will help to prevent incidences of frozen condensation in the winter, and contribute to the long-term well-being of your unit.

12. Renovations and Repairs:

Please note that any alterations of your existing unit (including a change of light switch facing) can void the warranty on your unit if not completed by a professional.

If you plan on a major alteration such as developing your basement, we advise you to contact the City of Edmonton at #311 to inquire further about your responsibilities and obligations in receiving a permit. We also recommend that you contact building management prior to commencement for guidelines and to seek Board approval for your intended alterations.

Please strongly consider the following before proceeding:

- a. Construction in units is to be completed between 8am to 5pm Monday through Saturday, and not to take place on balconies or common area space.
- b. Please seek advice before moving plumbing or electrical fixtures from one location to another.
- c. If you are upgrading / renovating, please ensure your insurance is adjusted to reflect coverage on all items that are not remaining "builders' grade".
- d. Unapproved renovations may be subject to removal.
- e. Disposal of renovation materials in the City garbage area may result in a chargeback.

13. Air Conditioners:

Air Conditioners must be approved by the Board. Please submit written requests to Management with all specifications. Air conditioners cannot be mounted to hang outside of windows and must be fully inside your unit. They cannot alter the building in any way or cause excessive noise outside your unit that may disturb neighbors. Central air conditioners require written approval from the Board of Directors after they are elected at the turnover meeting.

14. Home based business:

Please note that it is against your Corporation Bylaws to have a home-based

AYRE & OXFORD INC.

Professional Real Estate Management

Accredited Management Organization®(AMO®)

business in those units designated for residential use.

For those units with mixed use designation, kindly make your request in writing to Management for approval by the Board.

Approval will not be given to a business which requires public attendance except in the units designated for commercial use as per the Bylaws.

15. Rental Units:

If you are renting out your unit, or someone other than the titled owner will be occupying the unit, please notify Ayre & Oxford Inc within 21 days of the Rental and provide details of the tenants. You will find a notification form attached for your reference, along with a bylaw sign off form and if applicable deposit requirement. the Corporation requests that you fill out a new Contact Information Form each time a new tenant moves into your unit, confirming of the name(s) and contact numbers of your tenants/occupants as well as any changes to your personal information. Please forward these items to Ayre & Oxford Inc. Thank you.

Best Practice for Common Area & Home Enjoyment

16. For sale / rent signage:

Signs cannot be placed in windows, on the common property or surrounding grounds.

17. Balconies, BBQ's & other exterior equipment:

Balconies and yards are considered common areas. They must be kept clean of junk or heavy items not appropriate for this area. No storage of garbage etc. allowed. Basically, if it is an eyesore it's not allowed.

Satellite Dishes are not allowed on the property.

Regarding BBQ's, please keep in mind the following:

- 1) The City of Edmonton Fire Department advises against having a flammable item as near as 1 meter of the building exterior structure.
- 2) Any damages or melting caused to the structure are solely Owners' responsibility to repair, at their own expense.
- 3) Owners are not permitted at any time to store or operate my BBQ or flammable device within an enclosed area, and owners are not permitted to store combustible, inflammable or offensive goods on the site, per the Condominium bylaws.
- 4) Owners may not do or permit to be done anything which might increase the risk of fire or increase the rate of fire insurance premiums.
- 5) Excess food, charcoal and grease should not be permitted to drip on the ground, altering the appearance and affecting the sanitation of your exclusive use area.

18. Heating:

Please monitor the temperature of your unit to ensure it is reasonable, and not humid. In the winter, please make sure your heat is on. Do not leave any windows or patio doors open when you are not around. If you do need to open a window please monitor it closely as there have been problems with pipes freezing when there is a change in temperature.

Damage done to your suite, and other suites as a result of frozen pipes that burst, as a result of negligence on the part of the resident or owners of the suite, is the responsibility of the owner and/or resident of that suite. Our temperature can change drastically from warm to cold in a hurry.
