GENERAL BUILDING INFORMATION

1. Move-in / Out Etiquette:

- **Elevators must be booked one week in advance by contacting Jeff @ 780-983-9534.**
- **Bookings are only between the hours of 8:30am and 4:00pm Monday to Friday.**
***Move in/outs taking place outside of regular business hours will be charged a flat rate of \$105.00.** This is to cover the overtime cost of maintenance personnel who are required to show up after hours to set up elevators and inspect common property for damage. Any un-booked moves that take place outside of business hours will have the \$105 charged back to the corresponding unit.*
- **A fine of \$250.00 will be charged to the unit Owner for any move in/outs that do not follow proper procedures.**
- Arrange with site staff to get ELEVATOR PADS, SERVICE KEY & KEY TO UNLOCK FRONT DOOR PADLOCK (if your building is so equipped). A **deposit in the amount of \$100.00** is required for the elevator key, which will be refunded upon return of the key. Please note this must be in the form of a cheque, as on site staff do not accept cash.
- Elevators held open without a key cause major repair issues - therefore if you are found holding open the door, **you will be charged** for the elevator company inspection and any resulting repairs required. These repairs have been known to be **in excess of \$500.00.**
- NEVER, under any circumstances leave security doors propped open – when security doors are open an adult must be present at all times to monitor foot traffic and if appropriate challenge persons entering to produce a key.
- While moving furniture/effects through the security doors, prop doors open using a piece of furniture DO NOT USE stones or rocks. Bent hinges result when rocks are used and the cost of repairs will be charged back to your suite or to your landlord and paid from your damage deposit.
- Elevator service key – use common sense and show reasonableness when using. This infers you have items at elevator ready to load before you use the key and when you reach your destination floor you immediately offload and release the elevator.
- Sharp objects: ensure corners are padded or taped, bed frames are wrapped etc – damage to the elevators is your responsibility and will be charged back.

- Parking/stopping vehicle used in your move. Do not block fire/emergency lanes. Once vehicle is offloaded move it to visitor parking. The timelines on visitor parking are enforced. Visitor Parking spots are monitored – ensure Ayre & Oxford representative has license plate numbers or vehicle description so your moving related vehicle(s) are recognized. 6. Home based business:

Please make your request in writing to the Building Management for approval by the Board. Approval will not be given to businesses which require public attendance in the building.

7. Air conditioners:

Air conditioners cannot be mounted to hang outside of windows and must be fully inside your unit. They cannot alter the building in any way, or cause excessive noise outside your unit that may disturb neighbors.

8. Heating:

It is the owner/residents responsibility to inspect their home for leaks and report them as soon as discovered. Take a moment and inspect your heating pipes, carpet areas and ceilings frequently and report any damages as soon as possible to avoid further damage and possible liability.

In the winter please make sure your heat is on. Do not leave any windows or patio doors open when you are not around. If you do need to open a window, please monitor it closely as there have been problems with pipes freezing when there is a change in temperature. Damage done to your suite and other suites, as a result of frozen pipes that burst as a result of negligence on the part of the resident or owners of the suite, is the responsibility of the owner and/or resident of that suite. Our temperature can change drastically from warm to cold in a hurry.

9. Sprinkler Systems:

All suites have sprinkler heads in them. Please familiarize yourself with where they are so that they can be kept free from objects around them. A burst sprinkler head can cause a lot of damage not only to your suite but to other suites and common areas. If the sprinkler head breaks as a result of negligence on the part of the occupant then they are responsible for the damage. A little common sense goes a long way for prevention.

10. Pets:

Effective September 1, 2012, all new pet registrations will require a non-refundable pet deposit of \$200 to help alleviate the costs of damage to the common areas that the Corporation is currently paying for.

**Please be reminded of the bylaws regarding pets at Park Place South Terwillegar
Section 59. ANIMALS;**

Other than birds and fish, an Owner shall not keep or allow any animal of any kind in his Unit or on the Common Property without the specific approval, in writing, of the Board, which approval may be arbitrarily withheld, and if given may be withdrawn at any time on seven (7) days notice to the Owner to that effect. The Board may approve only those animals that meet the following criteria and may impose other or further criteria in its sole discretion:

1. An Owner is not permitted to have more than two small animals restrained at all times in enclosures within his or her Unit;
2. Cats and dogs must be no higher than 17" at the shoulder.

Please clean up after your pet on common property and do not use balconies to replace walking your pet.

Pets, including visiting pets require approval of the Board. You will find a pet approval Form included in this package. Please also refer to the Corporation bylaws.

11. Insurance:

It is mandatory that all owners and tenants if renting have proper condo insurance. A copy of the insurance documents must be presented to the management company for their records.

To protect these important areas you should purchase a Condominium Unit Owners Policy. This a package designed specifically for this unique type of ownership. Contact your insurance agent to ensure that your needs are adequately met.

- d) On notice from the Board; diligently assist in taking such steps as may be necessary to cause the Owner's Tenant to remedy any non-compliance with these Bylaws and any relevant legislation, failing which the Board may issue an eviction notice to the Tenant, which the Owner agrees to be bound by, and further shall assist with and pay the costs of any eviction proceeding which may be taken by the Board, acting reasonably.

Guidelines for enjoyment and use of Common Areas

1. For sale / rent signage:

Signs cannot be placed in windows, on the common property or surrounding grounds.

2. Rental Units:

If you intend to rent your suite, please notify Ayre & Oxford Inc within 21 days of the Rental.

3. BBQ's:

Propane BBQ's tanks are not allowed to be carried in the elevator. The propane must be carried up the stairs and not by elevator, this is for insurance purposes. The BBQ should be kept away from the siding as it could melt. Any damage to the outside of the building from BBQ's is the responsibility of the owners or residents of the suite.

4. Garbage...Garbage:

- ❌ Please DON'T put your garbage beside the dumpster – it won't get picked up by the garbage folks and ends up being strewn across the property. If we have to hire someone to clean up garbage left outside the bin or in the building that cost gets passed on.
- ❌ Plastic milk jugs and other recyclable plastic jugs now carry a refundable deposit.
- ❌ If you are placing milk jugs into the containers, please ensure they are crushed to allow more space.
- ❌ Please DON'T put your garbage in the hallway, lobby, mailbox area or in stairwells.

5. Security:

The security of the building is relevant to everyone - so please make sure to avoid letting strangers into the building.

- a. Don't allow people to follow you through doors.
- b. Wait for the garage door to close before entering / exiting the parkade.
- c. Report suspicious activity to the police.

Visitor Parking

Visitor parking is for "visitors" only.

Visitor parking is restricted to a maximum of six hours. Temporary permits can be obtained for special circumstances- however not for regular usage.

Thinking of selling?

It happens – everyone's needs change over time. Note* when you are selling, the real estate agent you work with or potential buyers are usually interested in some key documents:

- Condo Bylaws
- Previous AGM minutes
- Insurance certificate for building
- End of year financials
- Reserve Fund Study

All of these documents have been provided to owners in the past. By law you only have to make these available for VIEWING (by appointment at Ayre & Oxford), however, to speed up the sales process, most Sellers keep a copy of the documents handy.

Please remember that if you need this documentation reproduced there is a fee which can be \$300-\$400 depending on the needs of the buyer. Documents are available online at: <https://condopapers.com> .
