AYRE & OXFORD INC.

Professional Real Estate Management
Accredited Management Organization®(AMO®)

In the event that you have concerns to bring to the attention of the Board of Directors, please write a letter and deposit it into the Board mail box located in the mail room on the parkade level. Absolutely no cheques or cash in the onsite mail box please. For urgent matters, please contact Ayre & Oxford directly

Move-in /Move- Out Etiquette

- Book the elevator two weeks in advance by contacting Brooke @ 780-448-4984 ext 353.
- Bookings are only between the hours of 9am and 8pm in consideration of other residents.
- Elevators held open without a key cause major repair issues; therefore if you are found holding open the door, **you will be charged** for the elevator company inspection and any resulting repairs required. These repairs have been known to be **in excess of \$500.00.**
- Do not leave any doors propped open and unattended. Open doors must be attended at all times. This includes the elevator vestibule doors and the parkade overhead door.

Please note* If our on-call staff is contacted in regards to open/unattended doors, the unit responsible will be charged back for this labour expense at the rate of time and a half.

- **No driving on the grass or moving through patios.**
- Any damages incurred will be the responsibility of the unit owner.
- A cheque for **\$100** will be required and **refunded upon return of the elevator key.**
- A **separate cheque for \$200** is required to cover any damages during the move and **will be returned upon a clear out-inspection.**

Additional New Owner Information

- Fob programming changes: To change the name of a fob user in the system, please contact the office.
- Intercom programming changes: Contact Stephanie@ayreoxford.com
- Additional remotes and fobs can be purchased from the Ayre & Oxford Office for a fee;
 - Purchase an additional parkade remote control for (\$75)
 - Purchase an additional Key Fob (\$50)

Operation of the intercom

The intercom system provides suite to entrance communication and entry control through your regular telephone service without interference to telephone calls. You can answer the intercom from any telephone in your suite and admit only those persons you know. If you change your phone number, this information needs to be provided to your Management Company in order to complete an update to the system

Telephone not in use

If you are not using your telephone when a visitor places an enterphone system call to your suite, your telephone will ring with a distinctive sound (two quick rings) so that you can distinguish between an entrance call and an outside call. Just pick up your telephone and talk to the visitor.

- To let the person in dial or press 9 on your phone and then hang up. The entrance door will automatically unlock and your visitor can enter.
- To refuse entry, simply hang up

Note: When keying digits 3 or 6 on a pushbutton telephone, keep the digit depressed for approximately 2 seconds. This design feature ensures you will not accidentally unlock the entrance door or unintentionally refuse entry.

Emergency Procedures

Fire

The Condominium is constructed of fire resistant materials. Fire-resistant walls deter the spread of fire from one suite to another. However, no building is 100% fire proof.

The building has a fire alarm system that will alert the whole building when it is activated manually. You must know the location of and how to operate the fire alarm "pull stations".

- The building has two fire-resistant stairways that are marked on all floors by EXIT signs. The stairway doors must be kept closed at all times.

AYRE & OXFORD INC.

Professional Real Estate Management

Accredited Management Organization®(AMO®)

- Each floor has an interior water supply with a hose line as well as fire extinguishers. Inexperienced people should not attempt to use these hoses or fire extinguishers.
- In case of emergency or fire, DO NOT PANIC. Follow all instruction and move at a steady pace. Know what you should do and then do it. Keep calm.
- Once you have left the fire area, do not return.

Evacuating - No Assistance Required

If you hear an alarm and are able to evacuate without assistance:

- Stop what you are doing.
- Close all windows and balcony doors.
- Before opening your suite door, lay your hand flat on the surface of the door. If it is cold, feel the door above the handle. If it is also cold, open the door slowly and check the hallway for smoke.
- If you see smoke outside the door, remain in the suite. Close, but do not lock your door. Press wet towels or cloths around the door to seal the cracks.
- Phone 911 and inform the dispatcher of your location and situation. Wait to be rescued in your unit.
- If the exterior hallway is clear of smoke and fire, close your suite door (do not lock it) and proceed to the nearest exit stairway that leads to the main floor lobby. Do not use the elevators - Elevators will not work once the fire alarm is activated.
- Feel the stairway door before you open it. If it is cool and if there is no smoke in the stairway, proceed at a steady, unhurried pace down the stairs.
- If, while descending the stairs, you find you are entering a smoke area, immediately leave the stairway and proceed down an alternate stairway. Remember to check the door for fire first.
- Leave the building. Assemble well away from the building, taking care not to block any of the entrances or impede the work of fire personnel.
- The Fire Captain may give instructions over the communication system during an alarm if further direction is required. Normally, the communication system is not used.

Evacuating - Assistance Required

If you hear an alarm and require assistance to evacuate, it is the owners' responsibility to advise the fire department of their location.

- Go to a room with an outside window and a telephone, closing all doors between you and the fire.
- If you have a portable phone, keep it with you. Call the fire department to let them know where you are.
- If there is no fire in your area, close all doors and stay put.
- If there is smoke or fire in your area, go to another room with a window and wait.
- Go to a room with an outside window and a telephone, closing all doors between you and the fire.
- Stuff the cracks around the door and cover vents with a cloth to keep out smoke.
- Call the fire department and tell them exactly where you are.
- Wait at a window and signal for help with a flashlight or light coloured cloth.

Note: Any residents that can exit should exit. It will always be safer to remove someone from a fire scene before it turns into a tragedy than after.

What to do in case of fire in your suite.

Alert everyone in the suite.

- Call 911 and inform the operator of your location and whether you need assistance to evacuate.
- Leave your suite. Close but do not lock the door.
- Sound the fire alarm in the hallway.
- If you are able and do not need assistance, leave your floor via the stairway. Do not use an elevator.
- Walk, do not run, to the main entrance.
- Meet the fire officers at the front door, unlock the front door and inform them of the location of the fire.

AYRE & OXFORD INC.

Professional Real Estate Management

Accredited Management Organization®(AMO®)

- If you need assistance, proceed to and enter the stairway shaft, close the door and wait for a fire officer to come and assist you.

Using Building Facilities Safely

Storage

- Do not store flammable liquids, propane bottles, magazines or newsprint in your unit, in the parkade or on your balcony.

Laundry and Dishwashing Equipment

- Do not overload or "set and forget it".
- Check the equipment regularly.
- Keep the lint trap free in your Dryer.
- Turn taps feeding the washer off when not in use. If they are left on, pressure can build up causing your water line to burst.

General Safety Reminders

- Avoid careless smoking. Observe No Smoking areas. There is no smoking in any of the common areas.
- Replace unsafe electrical appliances, frayed extension cords, octopus plugs, etc.
- Unplug all appliances when you are vacating your suite for a prolonged period.
- Advise Ayre & Oxford of intended lengthy absences.
- Avoid unsafe cooking practices. Be careful when deep-frying or fondue cooking.
- Turn off all water lines if you are vacating your suite for a prolonged period.

Power Emergencies

Every unit has a power panel located in your suite. This panel has all the normal circuit breakers covering electrical outlet, room lighting and appliances. Under normal conditions a malfunction of an appliance may cause a circuit breaker to trip and shut off the power. If there are any other problems in this area, call your electrician

Insurance

It is mandatory that all owners and tenants if renting have proper condo insurance. A copy of the insurance documents must be presented to the management company for their records.

The Condominium Corporation carries Real Property All Risk Insurance, which provides coverage to the full replacement value of all real property in the condominium complex. This policy does not cover the individual unit owner in two important areas:

- Insurance coverage on your personal belongings and
- Insurance coverage for personal liability
- Insurance on Betterments, or improvements

To protect these important areas you should purchase a Condominium Unit Owners Policy. There is a package designed specifically for this unique type of ownership. Contact your insurance agent to ensure that your needs are adequately met.

Utilities

As Owners of your unit, you are responsible for the water, sewer, gas, power and garbage removal. Please contact the respective utility companies in order to make connection arrangements.

Garbage

We strongly encourage everyone to recycle and please be reminded:

- Please DON'T put your garbage beside the dumpster – it won't get picked up by the garbage folks and ends up being strewn across the property. If we have to hire someone to clean up garbage left outside the bin or in the building that cost gets passed on.
- Plastic milk jugs and other recyclable plastic jugs now carry a refundable deposit. If you are placing milk jugs into the containers, please ensure they are crushed to allow more space.
- Please DON'T put your garbage in the hallway, lobby, mailbox area, garbage or in stairwells.

AYRE & OXFORD INC.

Professional Real Estate Management

Accredited Management Organization®(AMO®)

- Please DON'T put recycling or large items into the dumpster. Take them to the proper Eco Station or recycling depot in the city.

Bulletin Board Etiquette

The parkade elevator vestibule has a bulletin board for communication to owners and any information posted should be respected. Please refrain from writing comments on existing postings.

Parking

There are additional parking stalls and storage cages available in the parkade for rent from the Corporation. If you need an additional stall or storage, please contact Ayre & Oxford for more information.

The Neighborhood

Security: Rosssdale Court EPS Community Liaison Constable Trisha Nicholson and Constable Junior Hermosura can be reached by phone at 780 421 2603. Community awareness policies are an important part of community safety. Several recent reports of suspicious persons and subsequent EPS response have prevented criminal activity in the Rosssdale community. It is important to report break-ins or any other suspicious activity to the EPS as it determines the funding and assignment of officers to our community. The non-emergency phone number is 780 423 4567, and as always for any Emergency, please call 911.

Maintaining Your Home

Condominium ownership means that you are responsible for the space inside your walls. We all need to keep on top of maintenance and to watch major items like furnaces and hot water heaters.

Neglecting these can have bad long- term consequences that affect all of us. For example, leaking valves on the hot-water tank have led to flooding in the units below. So here are a few things you can do to maintain your unit. Remember that water is the cause of most of the damage to our units, so be especially aware of leaks:

Furnace: Your furnace should be inspected once a year. ATCO gas offers no charge "advise and adjust" inspection checks. They will check that your furnace is operating safely and efficiently, is properly vented and has the necessary air requirements.

Check http://www.atcogas.com/Safety/home_safety/HomeHeating.asp for more information. Replace your air filter every three months for peak efficiency and minimum dust. Have a professional check the humidifier on the furnace. The filter may need to be replaced and the hoses may need to be tightened.

Hot Water Heater: Any water dripping from the valves on the heater? Have a plumber replace the plastic valves with metal ones that are less likely to leak. Keep in mind that the water heaters installed in our units have a normal lifespan of approximately 10 years.

Shower & Tub: If you have a one-piece unit that has the tub on one side and the shower next to it, you probably have an access port between the two. This port has a tendency to lose the seal that prevents water leaking between the tub and shower. Check that port and use silicon caulking to reseal the panel shut.

Air Conditioners: An air conditioner can make your condo livable.

Keep in mind that no AC units are allowed to protrude from a window. Models that exhaust through a hose are fine. Keep the filters clean for improved cooling and make sure that the drip tray collects any condensation. Please ensure your request has Board Approval for the installation of all Central Air Conditioners.

Renovations: Renovations such as flooring upgrades require approval from the Board of Directors in advance. If you are planning a renovation; contact Ayre & Oxford Inc. You should also contact your insurance broker to ensure that the upgrade is covered as a betterment or improvement.

For the prevention of potential freeze ups, please take precautionary measures for winter months;

1. Check to ensure your heat is working daily.

AYRE & OXFORD INC.

Professional Real Estate Management

Accredited Management Organization®(AMO®)

2. If you are going to be away for an extended absence beyond 48 hours, ensure someone is checking your suite.
3. Do check your furnace room frequently to ensure the heat is working properly and that there are no leaks.
4. To prevent window frost up:
 - Ensure your heat can fully circulate through the suite.
 - Open blinds or heavy curtains to allow air flow.
 - Move furniture away from windows and patio doors.
 - Ensure the humidity levels in your suite are not too high.
 - If you still have ice buildup, install a plastic winter kit to your windows.
5. Keep your thermostat set at a temperature which consistently maintains over 20 degrees in your suite.
6. In suite heating problems are the **unit owners' responsibility**. Please ensure your thermostat and furnace is in working order.
7. If you notice something is wrong call Ayre & Oxford for advice, and to report the issue.
8. Ensure common area doors close properly when entering / exiting the building as broken pipes, and / or heat loss costs everyone.
9. If you have not already provided Ayre & Oxford with your contact information, or if you need it updated, please do so immediately. Having an up to date list can save you money, as in the event of an emergency, if we cannot reach you, or the occupant, we will contract a lock smith to provide entry.

Please note: Repairs due to freeze ups and any resulting damages will be charged to the unit owner responsible.

Real Estate Agents

Should you decide to sell your suite, please observe the following procedures:

- Ensure that your agent is aware of the regulations concerning building security set out in this manual. Specifically, agents are expected to meet all prospective buyers at the front entry and may not admit them by the enterphone.
- Ensure that your agent is familiar with and has access to the Bylaws of the Condominium.
- "For Sale" signs are not permitted on the common property of the Condominium, other than on the realty tree provided. "Open House" signs may be placed on the lawn for the duration of the open house.
- Do not give agents one of your own building access cards, keys or garage door openers. They may gain entry to the building by telephoning in advance of their arrival.
- Key safes are not to be attached to any part of the common property of the condominium, with the exception of the outside of the door leading to your suite. If you choose to use a key safe in this manner, note that a building access card must not be kept in it.
- Ensure that ALL your building keys (Front Door Entrance Cards and Parkade door openers) are transferred to the new owner; also fobs, parking pass(es), Condominium bylaws and Reserve Fund Study.

Rental Units

Rental Policies / Regulation Rossdale Court Condo Corporation #022-0462

- Notification of rental units will be made by owners using the format of the Notice of Intention to rent form provided by the Board of Directors within 20 days of rental.
- **A deposit will be required in the amount of \$800.00** and is to accompany the notice of intention to Rent form.
- Tenants / Lessees' will be required to sign an undertaking in agreement to be bound by the bylaws, rules, regulations and rental policies of Rossdale Court Condo Corporation #022-0462.
- Corporation Bylaws; Owners and Renters are to be aware and are bound to comply with all sections of the bylaws, including section 3.3; An owner shall not use or permit the use of his Unit other than as a single family dwelling or for the purpose other than for residential purposes.

AYRE & OXFORD INC.

Professional Real Estate Management

Accredited Management Organization®(AMO®)

- In the event necessary; all notices by the Corporation to give up possession will be given in compliance with section 54 of the Condominium Property Act:
54 (1) The Corporation may give a tenant renting a unit notice to give up possession of that unit if any person in possession of the unit;
 - a) Causes damage, other than normal wear and tear, to the real or personal property of the Corporation or to the common property, or
 - b) Contravenes a bylaw.
- (2) When the Corporation gives a tenant notice under subsection (1),
 - a) The tenant shall give up possession of the unit, and
 - b) Notwithstanding the Residential Tenancies Act or anything contained in the tenancy agreement between the tenant and the tenant's landlord, the tenancy agreement terminates on the last day of the month immediately following the month in which the notice is served on the tenant.
- (3) A notice given under subsection (1) shall be served on the tenant and the tenant's landlord.

Owner / Resident Information Update Forms

You will find attached an information update form. To ensure we have your correct contact information, please fill out the information update form completely and return it to Ayre & Oxford at your earliest convenience.

Pets

Rossdale Court is a pet-friendly building.

- Pets must be approved by the Board of Directors. You will find a pet approval form attached.
- Pets must be on a leash while on common property.
- Owners found leaving behind animal feces on the property will be levied clean-up charges.

Thinking of selling?

It happens – everyone's needs change over time. Note though that when you are selling, the real estate agent you work with or potential buyers are usually interested in some key documents:

- Condo Bylaws
- Previous AGM minutes
- Insurance Certificate for building
- End of year financials
- Reserve Fund Study

All these documents have been provided to owners in the past. By law you only have to make these available for VIEWING (by appointment at Ayre & Oxford) however, to speed up the sales process most sellers keep a copy of the documents handy. Please remember that if you need this documentation reproduced there is a fee which can be \$300-\$400 depending on the needs of the buyer. So be sure to have your bylaws and keep your AGM information in a handy spot!

Intercom Update

Rossdale Court

Please be advised an Intercom system is installed and all entrance doors to the building are secured.

The system works by using a 4 digit number assigned to your suite which has to be entered by your guest, which then activates your home telephone or your cell phone. You may allow your guest access to the building by pressing “9” on your phone pad.

To activate your Intercom we require the telephone **or** cellular number you wish to use, along with your choice of either: your name or “Occupied” to be displayed on the intercom list.

Please fill out the following information and return it to Stephanie@ayreoxford.com or to the office at:

Ayre & Oxford Inc.
Suite 203, 13455 – 114 Avenue
Edmonton, AB T5M 2E2
FAX: (780) 448- 7297

Intercom can only be hooked up to one (1) local number.
