

NOTICE FIRE AND SAFETY INSPECTION

Please be advised that Viking Fire will be on site to complete the annual fire and safety inspection on the following dates between 8:00AM – 4:00PM:

Tuesday, September 28, 2021
Wednesday, September 29, 2021
Thursday, September 30, 2021

Alarms will sound periodically during the testing. There may be possible overlap days, Viking fire will do their best to stick to this schedule.

A bonded inspector will be walking through the building. A fire alarm technician and a sprinkler inspector will enter each unit to confirm the operation of the in-suite horn/strobe system as well as to visually inspect the sprinkler heads to ensure they are not damaged or visibly obstructed.

With uninhibited access to all suites, testing in each suite will take less than 5 minutes and each floor will take approximately 30 minutes.

Please note that this inspection is mandatory. Should access not be achieved during this attempt, our contractor will be required to utilize the building operator to gain access.

We apologize for any inconvenience caused and we thank you for your cooperation.

If you have rented out your unit, **please note that unit owners are responsible for communicating all notices to their tenants.**

Should you have any questions contact Theresa Wright, Executive Vice President of Property Management or Desirae Paterson, Assistant Property Manager.
