## LONDON HOME BUILDERS' ASSOCIATION

### Mayor's Sustainable Energy Council recognizes London Energy Savers

LR - Minister of Energy, Chris Bentley, Mayor Fontana and Allan Drawlo - Drawlo Holdings Inc.

The Honourable Chris Bentley, Ontario's Energy Minister, Mayor Joe Fontana and members of the Mayor's Sustainable Energy Council recognized the following:

#### **Outstanding Energy Saver Business - Drawlo Holdings Inc.**

Drawlo undertook energy efficiency retrofits to 7,000+ multi residential units achieving annual savings of 1,900 kW and 770 tonnes of CO<sub>2</sub> or the equivalent of the energy usage in 350 homes or taking 190 cars off the road.

#### **Energy Saver Outreach Fund Recipients:**

The Thames Region Ecological Association (TREA) - to host workshops - renewable energy, biomass as an energy source and how to set up a solar co-operative project.

The London Home Builders' Association - for a display at the Lifestyle Home Show demonstrating energy efficient products, technologies and green building practices.

*MSEC - comprised of over 30 volunteer energy professionals appointed by the Mayor. works to promote, encourage and support the development and implementation of practical research and initiatives, technologies, and investment in the area of sustainable energy, including energy conservation, efficiency, and alternative energy for the sustainable economic and environmental benefit and use of London and surrounding region.
