

Bloomsbury Academy

Bloomsbury Academy

At Bloomsbury Academy, our mission is to cultivate a lifelong love of learning, while fostering a strong foundation for academic, social, and emotional growth within a nurturing community.

Director's Letter

Tara Silver, M. Ed.

Dear Families,

Thank you for taking the time to explore Bloomsbury Academy! We are an early learning centre with strong connections to our local communities across Toronto. Bloomsbury Academy was developed in response to the latest research on children's cognitive development and family well-being. Our team understands the needs of busy urban families.

Inspired by Dr. Maria Montessori's work in the early 20th century, we blend Montessori principles with current evidence-based teaching strategies for early literacy, numeracy, and social skills development. At Bloomsbury Academy, our skilled teachers know that children thrive socially and academically with caring adults and positive peer relationships. We've carefully designed a program that encourages children to develop a sense of responsibility and resilience. As an educator, researcher, and parent, I know that these traits are vital for future success in school and beyond.

Our warm and inclusive school is the product of a collaborative effort by people who are passionate about early childhood education and community-based learning. Please reach out and book a tour. We look forward to meeting you!

A handwritten signature in black ink that reads "Tara Silver". The script is fluid and cursive, with the first letters of "Tara" and "Silver" being capitalized and prominent.

Director,
Bloomsbury Academy

About

Say goodbye to the morning rush when it comes to school drop off. Bloomsbury Academy is an innovative early childhood and family education centre that offers licensed early learning programs for children aged 18 months to 6 years. With a dedication to inclusivity, Bloomsbury fosters a nurturing environment that prioritizes every facet of a child's wellbeing.

Bloomsbury Academy is conveniently situated in Fitrovia Collection communities and is now offering residents discounted tuition fees and specially crafted social gatherings tailored for families.

Bloomsbury Academy is now accepting applications.

The top of the page features decorative elements: several orange, pill-shaped blobs in the upper left corner and a large, irregular teal shape in the upper right corner. On the far right, a vertical strip shows a blurred photograph of a person with curly hair and a wooden chair in a bright room.

Our Schools

Bloomsbury Academy enriches the Fitzrovia Collection with an inventive onsite early learning program. Our curriculum champions environmental stewardship, literacy, mathematics, as well as the arts and music, all within our naturally illuminated classrooms and playgrounds. Bloomsbury Academy echoes Fitzrovia's dedication to fostering positive social change by catering to the needs of urban families amid their busy lives.

We believe in making learning an enjoyable adventure that ignites the imagination. Bloomsbury Academy aims to cultivate a robust, safe, and lively community where families can learn and evolve together by hosting monthly social and educational gatherings for parents.

Our Philosophy

Curriculum

Through our innovative curriculum and learning materials, children and their families will experience the highest quality of care and attention to detail.

Bloomsbury Academy's commitment to current educational research, best practices, and teacher professional development ensures an exceptional learning experience.

Convenience

Imagine having a preschool, gym facilities, a medical clinic, and a café all just an elevator ride away from your home. .

Bloomsbury Academy is located near transit in a vibrant neighbourhood close to Toronto's Financial District, hospitals, and major post-secondary institutions. Who needs a car?

Community

Our teaching philosophy is built around a focus on children's well-being and the importance of being part of a nurturing and supportive community.

Children need to feel confident and valued before they can explore and learn about the world around them. This begins with teachers who understand each child's unique gifts and school leadership that supports teachers' professional growth.

Nutrition

Bloomsbury Academy is committed to providing an exceptional learning experience, and that includes ensuring our students have nutritious and delicious meals.

These meals are more than just food; they are opportunities for our students to build social skills, explore culturally diverse flavours, and develop a positive relationship with food.

Bloomsbury Academy has proudly partnered with Real Food for Real Kids (RFRK), a leading healthy catering company renowned for its dedication to child nutrition in the Greater Toronto & Hamilton Area.

RFRK offers meals and snacks that promote lifelong healthy eating habits. Their menus change seasonally to incorporate a variety of fruits, vegetables, proteins, and grains, all designed to maximize nutritional value and appeal to young palates.

The background features abstract, organic shapes in teal and orange. In the top left, there are teal, jagged, leaf-like shapes. In the top right, there are several orange, pill-shaped or bean-shaped blobs. In the bottom left, a large, irregular orange shape is partially visible. In the bottom right, there are teal, wavy, line-like shapes.

Curriculum

Toddler

"I can do it myself!"

Our youngest students take their first steps in a warm and welcoming environment.

Our toddler class offers children 18 months to 2.5 years opportunities to develop focus and independence with supportive teachers. In a classroom designed to nurture their cognitive growth and physical development, our learning spaces are designed to feel like home.

preschool/

"I made a friend!"

We offer a unique approach to "playful instruction" with our 2.5 to 4 year old students, which builds a strong foundation for reading, math, and science by nurturing children's capacity to focus.

Our teachers provide carefully planned learning programs that enrich preschoolers' growing curiosity about the world around them.

Kindergarten

"I am learning to read!"

Our focus with our 4 to 6 year old students is school readiness for future academic success and a smooth transition to primary school.

The Kindergarten program supports students in building positive peer relationships, self-regulation, perseverance, and problem-solving skills.
