How to Pay Your Rent During COVID-19

Dear Residents,

As you are aware our offices are temporarily closed to the public to promote social distancing as recommended by Health Canada. We understand that everyone at this time needs to stay safe and spend as little time interacting in public as possible. As such Greenrock has amended our acceptable payment methods for rent to encourage social distancing and provide more remote options for rent payments. We also understand that many are experiencing difficult times financially and we want to offer assistance at this time for those who are in need. Please see below for our rent policy and alternative payment methods during this time.

LMR deposit credit:

We understand many residents are enduring financial hardships and while the federal government has promised support, very few have received relief funds at this time. To help stimulate immediate relief to our residents, Greenrock is allowing you to apply for your last month's rent (LMR) deposit to be used as a credit towards your April 2020 rent payment.

We hope this will allow our residents the opportunity to gain further clarity on this evolving situation and learn more about what support will be available from the federal government going forward.

To apply, please download the form on our website www.greenrockrs.ca/covid-19 under the main heading GREENROCK NOTICES/FORMS under the Davisville Forms sub-heading and select the **Transfer of LMR Deposit Interest Form** or email info@greenrockpm.ca.

Other remote payment methods:

- Fill out a pre-authorized credit card payment form. Please visit www.greenrockrs.ca/covid-19 to download the form under the Davisville Forms sub-heading and select **Credit Card Pre-Authorization Form** and email it directly to rmorra@greenrockpm.ca.
