

FRIENDS AND FAMILY MAKE THE BEST NEIGHBOURS!

Earn \$250 CASH!!

We love having you as a Greystone Residential resident and we would love to have your friends and family here, too!

Here's how it works:

1. **REFER** - talk, text or email all your friends and family about the referral to **ANY Greystone Residential Management property**. Don't forget your co-workers, too! You can even post it on Facebook, Twitter, and Instagram.
2. **RELAY** - the new resident **MUST** provide the referring resident's name and address on the rental application.
3. **MOVE IN** - when the new resident's application is approved and the move-in process is complete, you are qualified to receive \$250 cash!

*The referral program is **ONLY** available to current residents in good standing. Contact your Building Manager for details.

Keep Calm and Get Those Referrals!
