

Moving Tips

Preparing to Move (1 Month prior to move out):

- Make reservations with your moving company or rental truck company
- Purchase moving boxes or start collecting boxes
- Advise the telephone company, cable/internet company, hydro etc. of your forwarding address and advise them of the date of your move
- Provide your forwarding address to the post office and Landlord

Common Items:

- You must vacate your unit by 12:00 pm (noon)
- Please coordinate your time with the superintendent or property manager
- If the elevator is required, please schedule with the superintendent or property manager
- It is your responsibility to ensure your unit is returned in the same condition as when you moved in, except for normal wear and tear.
 - Should you fail, you will be financially responsible for any repairs, cleaning or garbage removal costs incurred by the Landlord

Large Items:

- Offsite removal of furniture, mattresses or other large items is mandatory
- If you require assistance, please contact the Landlord and there may be a reasonable fee charged for this service
- There will be a reasonable chargeback fee for any large items left behind in your unit

Sincerely,
