Minto Apartment Real Estate Investment Trust (the "**REIT**") is an unincorporated, open ended real estate investment trust established under, and governed by, the laws of the Province of Ontario pursuant to an amended and restated declaration of trust dated June 27, 2018, as the same may be amended from time to time (the "**Declaration of Trust**").

The REIT may, from time to time during the 25 month period that this short form base shelf prospectus ("**Prospectus**"), including any amendments, remains valid, offer for sale and issue: (i) trust units of the REIT (the "**Units**"); (ii) debt securities (including convertible debt securities), which may consist of debentures, notes or other types of debt and may be issuable in series (the "**Debt Securities**") and (iii) subscription receipts to purchase any of the foregoing (the "**Subscription Receipts**", and, together with the Units and the Debt Securities, collectively referred to as, the "**Securities**"). The REIT may sell up to C\$750,000,000 aggregate initial offering price of Securities (or the equivalent amount if any Securities are denominated in a currency other than Canadian dollars). The Securities may be offered for sale separately or in combination with one or more other Securities and may be sold from time to time in one or more transactions at a fixed price or prices (which may be changed) or at market prices prevailing at the time of sale, at prices determined by reference to such prevailing market prices or at negotiated prices.

Minto Properties Inc. ("**MPI**"), or certain of its subsidiaries may also offer Units beneficially owned by them or issuable to them on the exchange of Class B limited partnership units ("**Class B LP Units**") of Minto Apartment Limited Partnership (the "**Partnership**"), an operating subsidiary of the REIT. This Prospectus qualifies the distribution of Securities by the REIT and by MPI and its subsidiaries that are selling Unitholders.

The specific terms of any Securities offered will be described in one or more shelf prospectus supplements (collectively or individually, as the case may be, a "**Prospectus Supplement**"), including, where applicable: (i) in the case of Units, the number of Units being offered, the offering price and any other specific terms; (ii) in the case of Debt Securities, the specific designation, the

aggregate principal amount being offered, the denominations, the currency, the issue and delivery date, the maturity date, the issue price (or the manner of determination thereof if offered on a non-fixed price basis), the interest rate (either fixed or floating, and, if floating, the manner of calculation thereof), the interest payment date(s), the redemption, exchange or conversion provisions (if any), the repayment terms, the form (either global or definitive); (iii) in the case of Subscription Receipts, the number of Subscription Receipts being offered, the offering price, the procedures for the exchange of the Subscription Receipts for Units or any other Securities and any other specific terms. A Prospectus Supplement may include specific variable terms pertaining to the Securities that are not within the alternatives and parameters described in this Prospectus.

All shelf information permitted under applicable laws to be omitted from this Prospectus will be contained in one or more Prospectus Supplements that will be delivered to purchasers together with this Prospectus. Each Prospectus Supplement will be incorporated by reference into this Prospectus for the purposes of securities legislation as of the date of the Prospectus Supplement and only for the purposes of the distribution of the Securities to which the Prospectus Supplement pertains.

The REIT and/or any selling Unitholders may sell the Securities to or through underwriters or dealers purchasing as principals, and may also sell the Securities directly to one or more purchasers pursuant to applicable statutory exemptions or through agents. See “Plan of Distribution”. The Prospectus Supplement relating to a particular offering of Securities will identify each underwriter, dealer or agent, as the case may be, engaged by the REIT and/or any selling Unitholders in connection with such offering and sale of the Securities, and will set forth the terms of the offering of such Securities, including, to the extent applicable, any fees, discounts or any other compensation payable to underwriters, dealers or agents in connection with the offering, the method of distribution of the Securities, the initial issue price (in the event that the offering is a fixed price distribution), the proceeds that the REIT and/or any selling Unitholders will receive and any other material terms of the plan of distribution. The Securities may be sold from time to time in one or more transactions at a fixed price or prices or at non-fixed prices. If offered on a non-fixed price basis, Securities may be offered at market prices prevailing at the time of sale, at prices determined by reference to such prevailing market prices or at negotiated prices, which prices may vary as between purchasers and during the period of distribution of the Securities.

In connection with any offering of Securities, the underwriters, dealers or agents, as the case may be, may over allot or effect transactions which stabilize or maintain the market price of the Securities at a level above that which otherwise might prevail on the open market. Such transactions, if commenced, may be discontinued at any time. See “Plan of Distribution”.

The Units are listed on the Toronto Stock Exchange (“TSX”) under the symbol “MI.UN”. The head and registered office of the REIT is located at 200-180 Kent Street, Ottawa, Ontario, K1P 0B6.

Each series or issue of Debt Securities or Subscription Receipts will be a new issue of securities with no established trading market. Unless specified in a Prospectus Supplement, the Debt Securities will not be listed on any securities or stock exchange. Accordingly, unless so specified, there may be no market through which the Debt Securities may be sold and purchasers may not be able to resell the Debt Securities purchased under this Prospectus. This may affect the pricing of such Debt Securities in the secondary market, the transparency and availability of trading prices, the liquidity of such Debt Securities and the extent of issuer regulation. See “Risk Factors”.

THE REIT

The REIT is an unincorporated, open-ended real estate investment trust established pursuant to the Declaration of Trust under the laws of the Province of Ontario. The REIT's head and registered office is located at 200-180 Kent Street, Ottawa, Ontario, K1P 0B6.

The REIT owns a portfolio of 22 high-quality income-producing multi-residential rental properties comprising an aggregate of 4,279 suites, located in Toronto, Ottawa, Calgary and Edmonton. The REIT holds its property portfolio indirectly through the Partnership.

The REIT employs an experienced executive and operational team of real estate professionals and benefits from an administrative support agreement with MPI. The REIT also benefits from a broad network of relationships within the multi-residential rental real estate sector.

The REIT's objectives are to:

- provide Unitholders an opportunity to invest in high quality income producing multi-residential rental properties strategically located across urban centres in Canada;
- enhance the value of the REIT's assets and maximize long-term Unitholder value through value-enhancing capital investment programs and active asset and property management of the REIT's properties;
- provide Unitholders with predictable and sustainable cash distributions; and
- expand the REIT's asset base across Canadian urban centres through intensification programs and acquisitions.

Further information regarding the REIT and its business is set out in the IPO Prospectus under "The REIT", "Investment Highlights"

and “Growth Strategies of the REIT”.

RECENT DEVELOPMENTS

There have been no material developments in the business of the REIT since September 30, 2018, the date of the REIT’s Interim Financial Statements, which have not been disclosed in this Prospectus or the documents incorporated by reference herein.

On July 3, 2018 the REIT completed its IPO of 13,794,000 Units at a price of \$14.50 per Unit for aggregate gross proceeds of \$200,013,000. Prior to the IPO Closing, MPI acquired, through a wholly-owned subsidiary (the “**Retained Interest Holder**”), 22,928,510 Class B LP Units of the Partnership that are economically equivalent to and exchangeable for Units (the “**Retained Interest**”). As of the IPO Closing, the Retained Interest represented an approximate 62.4% ownership interest in the REIT. The REIT used the proceeds of the IPO to indirectly acquire, through the Partnership, the Initial Properties from MPI.

On July 10, 2018, the REIT completed the issuance of an additional 2,069,100 Units at a price of \$14.50 per Unit for aggregate gross proceeds of \$30,001,950 pursuant to the exercise by the Underwriters of the over-allotment option granted in connection with the IPO (the “**IPO Over-Allotment Option**”). The REIT used the net proceeds of the IPO Over-Allotment Option for the reduction of the Retained Interest from 22,928,510 Class B LP Units to 20,859,410 Class B LP Units of the Partnership. After giving effect to the IPO Over-Allotment Option, the Retained Interest represents a 56.8% ownership interest in the REIT (determined if all exchangeable Class B LP Units of the Partnership are exchanged for Units of the REIT).

On November 22, 2018, the REIT announced that it waived its conditions under a definitive agreement to purchase two urban multi-residential rental buildings in Calgary, Alberta (the “**Calgary Properties**”) for total consideration of approximately \$63.8 million. The purchase price will be satisfied with a newly arranged term mortgage in the principal amount of approximately \$42.0 million and from the REIT’s existing credit facility. The transaction is currently expected to close in January of 2019 (the “**Quarters Acquisition**”). In addition, the REIT announced on that same date that it has agreed to advance to MPI up to \$30.0 million in financing for the redevelopment of a commercial property located at Fifth Avenue and Bank Street (“**Fifth and Bank**”) in Ottawa, Ontario to a mixed use multi-residential and retail property, with the REIT having an exclusive option to purchase the Fifth and Bank property upon stabilization for 95% of fair market value at that time (the “**Fifth and Bank Financing**”). The REIT intends to fund the Fifth and Bank Financing through draws on its revolving credit facility. The Fifth and Bank Financing is expected to be advanced in July 2019 and will be secured by a mortgage on the Fifth and Bank property in favour of the REIT together with a guarantee from MPI. The Fifth and Bank Financing will bear interest at 6.00% per annum, will mature in March 2022 and will be subordinate to senior construction financing.

On November 22, 2018, a new mortgage was registered against the REIT’s Richgrove property, located at 7& 21 Richgrove Drive in Toronto, in the principal amount of \$49.8 million (the “**Richgrove Refinancing**” and, together with the Fifth and Bank Financing, the “**Financings**”). The Richgrove Refinancing bears interest at 3.25% per annum and matures on December 1, 2022. On the advance of the Richgrove Refinancing, the existing mortgage against the Richgrove property with an outstanding principal balance of \$23.8 million was paid off and discharged and the unsecured promissory note in favour of MPI in the original principal amount of \$25.7 million was paid in full (the “**Unsecured Promissory Note Repayment**”).

Consistent with the REIT’s practice and in the normal course of business, the REIT is engaged in discussions and has various agreements, with respect to acquisitions of new properties and dispositions of existing properties in its portfolio. However, there can be no assurance that these discussions or agreements will result in acquisitions or dispositions or, if they do, what the final terms or timing of such acquisitions or dispositions would be. The REIT expects to continue current discussions and actively pursue other acquisition and disposition opportunities.

CONSOLIDATED CAPITALIZATION OF THE REIT

The following table sets forth the REIT’s consolidated capitalization as at September 30, 2018 and the REIT’s *pro forma* consolidated capitalization as at September 30, 2018 after giving effect to the Quarters Acquisition, the Financings and the Unsecured Promissory Note Repayment (collectively, the “**Adjustments**”). USE OF PROCEEDS

The use of proceeds from the sale of Securities will be described in a Prospectus Supplement relating to a specific issuance of Securities. The REIT may use net proceeds from the sale of Securities to repay indebtedness outstanding from time to time, to fund the acquisition of real property and other investments as permitted by the Declaration of Trust, for capital expenditures and for other general purposes.

EARNINGS COVERAGE RATIOS

Earnings coverage ratios will be provided as required in the applicable Prospectus Supplement(s) with respect to the issuance of Debt Securities pursuant to this Prospectus.

DESCRIPTION OF SECURITIES

The following is a summary of the material attributes and characteristics of the Securities as at the date of this Prospectus. This summary does not purport to be complete.

Units

This section describes the general terms that will apply to any Units that may be offered by the REIT pursuant to this Prospectus. Units may be offered separately or together, from time to time, with the Debt Securities under a Prospectus Supplement, as the case may be.

The beneficial interest in the assets of the REIT is divided into Units. The aggregate number of Units which may be outstanding is unlimited and, as at the date hereof, there were 15,863,100 Units outstanding. No Unit has any preference or priority over another. Each Unit represents a Unitholder's proportionate undivided beneficial ownership interest in the REIT and confers the right to one vote at any meeting of Unitholders and to participate *pro rata* in any distributions by the REIT, whether of net income, net realized capital gains or other amounts and, in the event of termination or winding-up of the REIT, in the net assets of the REIT remaining after satisfaction of all liabilities.

Units will be fully paid and non-assessable when issued and are transferrable. Units are redeemable at the holder's option in accordance with the terms of the Declaration of Trust. Fractional Units may be issued as a result of an act of the Trustees but

fractional units will not entitle the holder thereof to vote, except to the extent that such fractional Units may represent an aggregate one or more whole Units.

The Declaration of Trust provides that the REIT will be precluded from accepting any subscription for, or issuing or registering any transfer of, Units if, as a result thereof, greater than 49% of the outstanding Units would be beneficially owned, directly or indirectly, by non-residents of Canada within the meaning of the *Income Tax Act* (Canada). The Declaration of Trust includes a mechanism to permit the REIT, to require any person who is a holder or beneficial owner of Units held in contravention of this restriction to sell such Units. Upon any such sale, the Unitholder shall lose any entitlement to the Units and the Unitholder's only remaining right in respect thereof shall be limited to receiving the net proceeds of sale upon surrender of the certificates, if any, representing such Units.

Further information relating to the Units is set out in the IPO Prospectus under "Declaration of Trust", which is incorporated by reference herein.

Debt Securities

This section describes the general terms that will apply to any Debt Securities that may be offered by the REIT pursuant to this Prospectus. The specified terms and provisions of the Debt Securities offered pursuant to an accompanying Prospectus Supplement, and the extent to which the general terms described in this section apply to those Debt Securities, will be set forth in the applicable Prospectus Supplement. Debt Securities may be offered separately or together with other Securities, as the case may be.

The Debt Securities will be direct obligations of the REIT and may be guaranteed by an affiliate or associate of the REIT. The Debt Securities may be senior or subordinated indebtedness of the REIT and may be secured or unsecured, all as described in the relevant Prospectus Supplement. In the event of the insolvency or winding up of the REIT, the subordinated indebtedness of the REIT, including the subordinated Debt Securities, will be subordinate in right of payment to the prior payment in full of all other liabilities of the REIT (including senior indebtedness), except those which by their terms rank equally in right of payment with or are subordinate to such subordinated indebtedness.

The Debt Securities will be issued under one or more trust indentures (each, a "**Trust Indenture**"), in each case between the REIT and a trustee (each, an "**Indenture Trustee**"). The statements made hereunder relating to any Trust Indenture and the Debt Securities to be issued thereunder are summaries of certain anticipated provisions thereof and do not purport to be complete and are subject to, and are qualified in their entirety by reference to, all provisions of the applicable Trust Indenture.

Each Trust Indenture may provide that Debt Securities may be issued thereunder up to an aggregate principal amount, which may be authorized from time to time by the REIT. To the extent any of the Debt Securities are convertible in nature, the Debt Securities will be convertible into Units and not securities of another issuer.

The particular terms of each issue of Debt Securities will be described in the related Prospectus Supplement. Such description will include, where applicable:

- a) the designation, aggregate principal amount and authorized denominations of such Debt Securities;
- b) the currency or currency units for which the Debt Securities may be purchased and the currency or currency unit in which the principal and any interest is payable (in either case, if other than Canadian dollars);
- c) the percentage of the principal amount at which such Debt Securities will be issued;
- d) the date or dates on which such Debt Securities will mature;
- e) the rate or rates per annum at which such Debt Securities will bear interest (if any), or the method of determination of such rates (if any);
- f) the dates on which any such interest will be payable and the record dates for such payments;
- g) the Indenture Trustee of the Debt Security under the Trust Indenture pursuant to which the Debt Securities are to be issued;
- h) the designation and terms of any securities with which the Debt Securities will be offered, if any, and the number of Debt Securities that will be offered with each security;

- i) whether the Debt Securities are subject to redemption or call and, if so, the terms of such redemption or call provisions;
- j) whether such Debt Securities are to be issued in registered form, bearer form or in the form of temporary or permanent global securities and the basis of exchange, transfer and ownership thereof;
- k) any exchange or conversion terms;
- l) whether the Debt Securities will be subordinated to other liabilities of the REIT and, if so, to what extent;
- m) the material tax consequences of owning the Debt Securities, if any; and
- n) any other material terms and conditions of the Debt Securities.

Debt Securities may be issued at various times with different maturity dates, may bear interest at different rates and may otherwise vary.

A Prospectus Supplement may include specific variable terms pertaining to the Debt Securities that are not within the alternatives and parameters described in this Prospectus.

Subscription Receipts

This section describes the general terms that will apply to any Subscription Receipts that may be offered by the REIT pursuant to this Prospectus. Subscription Receipts may be offered separately or together with other Securities.

The specific terms of the Subscription Receipts, and the extent to which the general terms described in this section apply to those Subscription Receipts, will be set forth in the applicable Prospectus Supplement. The Subscription Receipts will be issued under a subscription receipt agreement. The applicable Prospectus Supplement will include details of the subscription receipt agreement governing the Subscription Receipts being offered.

The particular terms of each issue of Subscription Receipts will be described in the related Prospectus Supplement. Such description will include, where applicable:

- a) the number of Subscription Receipts being offered;
- b) the price at which the Subscription Receipts will be offered;
- c) the Securities into which Subscription Receipts are exchangeable;
- d) the procedures for the exchange of the Subscription Receipts into Securities;
- e) the number of Securities that may be exchanged upon exercise of each Subscription Receipt;
- f) the designation and terms of any other Securities with which the Subscription Receipts will be offered, if any, and the number of Subscription Receipts that will be offered with each security;
- g) the material tax consequences of owning the Subscription Receipts (if any); and
- h) any other material terms and conditions of the Subscription Receipts.

An original purchaser of Subscription Receipts will have a contractual right of rescission against the REIT, following the issuance of the underlying Units or other securities to such purchaser upon the surrender or deemed surrender of the Subscription Receipts, to receive the amount paid for the Subscription Receipts in the event that this Prospectus (including any documents incorporated by reference) and any amendment thereto contains a misrepresentation or is not delivered to such purchaser, provided such remedy for rescission is exercised within 180 days.

Denominations, Registration and Transfer

Unless otherwise provided for in the applicable Prospectus Supplement with respect to a particular series of Debt Securities, Debt Securities will be issued in fully registered form (including global form) and in denominations and integral multiples as set out in the applicable Prospectus Supplement. Other than in the case of book-entry only securities, Debt Securities may be presented for registration or transfer (with the form of transfer endorsed thereon duly executed) at the corporate trust office of the Indenture Trustee in Toronto, Ontario or at the office of any transfer agent designated by the REIT for such purpose with respect to any Debt Securities referred to in a Prospectus Supplement. Reasonable service charges may be levied for certain transfers, conversions or exchanges of the Debt Securities. The REIT may require payment of a sum to cover any tax or other governmental charge payable in connection therewith. The Indenture Trustee or such transfer agent, as the case may be, will effect such transfer, conversion or exchange only when satisfied with the documents of title and the identity of the person making the request. If a Prospectus Supplement refers to any transfer agent in addition to the Indenture Trustee initially designated by the REIT with respect to any series of Debt Securities, the REIT may at any time rescind the designation of any such transfer agent or approve any change in the location through which such transfer agent acts.

In the case of book-entry only securities, a global certificate or certificates (a “**Global Security**”) representing such Debt Securities will be held by a designated depository (the “**Depository**”) for its participants. The Debt Securities may be purchased or transferred only through such participants, which include securities brokers and dealers, banks and trust companies. The Depository will establish and maintain book-entry accounts for its participants acting on behalf of beneficial holders of such Debt Securities. The interests of beneficial holders of such Debt Securities will be represented by entries in the records maintained by the participants. Beneficial holders of Debt Securities issued in book-entry only form will not be entitled to receive a certificate or other instrument evidencing their ownership thereof, except in limited circumstances. Each such beneficial holder will typically receive a customer confirmation of purchase from the participant from which the Debt Securities are purchased in accordance with the practices and procedures of that participant.

Payment

Unless otherwise specified in the applicable Prospectus Supplement, payment of principal of and premium (if any) on a Debt Security will be made in Canadian currency against surrender of the Debt Security at the corporate trust office of the Indenture Trustee in Toronto, Ontario. Unless otherwise indicated in the applicable Prospectus Supplement, payment of any instalment of interest on a Debt Security is registered at or before the close of business on the recorded date for such interest payment.

SELLING UNITHOLDERS

This Prospectus may also, from time to time, relate to the offering of Units by way of a secondary offering by certain selling Unitholders. The terms under which the Units will be offered by selling Unitholders will be described in the applicable Prospectus Supplement. The Prospectus Supplement for or including any offering of the Units by selling Unitholders will include, without limitation, where applicable: (i) the names of the selling Unitholders; (ii) the number of Units owned, controlled or directed by each of the selling Unitholders; (iii) the number of Units being distributed for the account of each selling Unitholder; (iv) the number of Units to be owned, controlled or directed by the selling Unitholders whether the Units are owned by the selling Unitholders both of record and beneficially, of record only or beneficially only; (v) if a selling Unitholder purchased any of the Units held by it in the 24 months preceding the date of the applicable Prospectus Supplement, the date or dates the selling Unitholder acquired the Units; and (vi) if a selling Unitholder acquired the Units held by it in the 12 months preceding the date of the applicable Prospectus Supplement, the cost thereof to the selling Unitholder in the aggregate on a per security basis.

PLAN OF DISTRIBUTION

The REIT and/or any selling Unitholders may from time to time during the 25-month period that this Prospectus, including any amendments hereto, remains valid, offer for sale and issue the Securities. During such period, the REIT may sell up to C\$750,000,000 in the aggregate, of initial offering price of Securities (or the equivalent amount if any Securities are denominated in a currency other than Canadian dollars).

The REIT and/or any selling Unitholders will sell the Securities to or through underwriters or dealers or purchasers directly or through agents. The Securities may be sold from time to time in one or more transactions at a fixed price or prices, which may be changed or at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices.

A Prospectus Supplement will set forth the terms of the offering, including the name(s) of any underwriters, dealers or agents, the purchase price(s) of the Securities, the proceeds to the REIT and/or any selling Unitholders from the sale of Securities, any initial public offering price (or the manner of determination thereof if offered on a non-fixed price basis), any underwriting discount or commission and any discounts, concessions or commissions allowed or paid by any underwriter to other dealers. Any initial public offering price and any discounts, concessions or commissions allowed or paid to dealers may be changed from time to time.

Each series or issue of Debt Securities will be a new issue of securities with no established trading market. Unless otherwise specified in a Prospectus Supplement relating to a new issue of Debt Securities, the Debt Securities will not be listed on any securities or stock exchanges. In connection with any offering of Securities, the underwriter, dealers or agents may over-allot or effect transactions that stabilize or maintain the market price of the Securities offered at a level above that which might otherwise prevail in the open market. Such transactions, if commenced, may be discontinued at any time. Any underwriters or agents to or through whom Securities are sold by the REIT may make a market in the Securities, but they will not be obligated to do so and may discontinue any market making at any time without notice. No assurance can be given that a trading market in any of the Securities will develop or as to the liquidity of any trading market for the Securities.

Underwriters, dealers and agents who participate in the distribution of the Securities may be entitled under certain agreements to be entered into with the REIT and/or any selling Unitholders to indemnification by the REIT and/or any selling Unitholders against certain liabilities, including liabilities under securities legislation or to contribution with respect to payments that they may be required to make in respect thereof. Such underwriters, dealers and agents may be customers of, engage in transactions with, or perform services for the REIT and/or any selling Unitholders in the ordinary course of business.

The Securities have not been and will not be registered under the U.S. Securities Act or any state securities laws. Accordingly, the Securities may not be offered, sold or delivered within the United States, and each underwriter or agent for any offering of Securities will agree that it will not offer, sell or deliver the Securities within the United States, except pursuant an exemption from the registration requirements of the U.S. Securities Act and any applicable state securities laws. In addition, until 40 days after the commencement of the offering of Securities, any offer or sale of such Securities within the United States by a dealer (whether or not participating in the offering) may violate the registration requirements of the U.S. Securities Act if such offer or sale is made otherwise than in accordance with an exemption from registration under the U.S. Securities Act.

This Prospectus does not constitute an offer to sell or a solicitation of an offer to buy the Securities in the United States or to, or for the account or benefit of, U.S. persons.

RISK FACTORS

Prospective investors in a particular offering of the Securities should carefully consider, in addition to information contained in the Prospectus Supplement relating to that offering and the information incorporated by reference herein, the risks described in the IPO Prospectus and the Interim MD&A which are incorporated by reference herein as at the date of the Prospectus Supplement relating to the particular offering of Securities.

There is currently no market through which the Debt Securities and Subscription Receipts may be sold and purchasers of such Debt Securities and Subscription Receipts may not be able to resell such Debt Securities and Subscription Receipts purchased under this Prospectus. There can be no assurance that an active trading market will develop for such Debt Securities and Subscription Receipts after an offering or, if developed, that such market will be sustained. This may affect the pricing of such Debt Securities and Subscription Receipts in the secondary market, the transparency and availability of trading prices, the liquidity of such Debt Securities and Subscription Receipts and the extent of issuer regulation. The public offering prices of such Debt Securities and Subscription Receipts may be determined by negotiation between the REIT and underwriters based on several factors and may bear no relationship to the prices at which such Debt Securities and Subscription Receipts will trade in the public market subsequent to such offering. See “Plan of Distribution”.

There is no assurance that any credit rating assigned to Securities issued hereunder will remain in effect for any given period of time or that any rating will not be lowered or withdrawn entirely by the relevant rating agency. A lowering or withdrawal of such rating may have an adverse effect on the market value of the Securities.

LEGAL MATTERS

Certain legal matters relating to an offering of the Securities will be passed upon on behalf of the REIT by Goodmans LLP. As of the date of this Prospectus the partners and associates of Goodmans LLP beneficially owned, directly or indirectly, less than 1% of the outstanding securities of the REIT.

AUDITORS, TRANSFER AGENT AND REGISTRAR

The REIT’s auditor is KPMG LLP, located in Toronto, Ontario. KPMG LLP has advised the REIT that they are independent in accordance with the Rules of Professional Conduct of the Chartered Professional Accountants of Ontario.

The transfer agent and registrar for the Units is AST Trust Company (Canada) at its principal office in Toronto, Ontario.

PURCHASERS' CONTRACTUAL RIGHTS

Original purchasers of Debt Securities and Subscription Receipts which are convertible into other securities of the REIT will have a contractual right of rescission against the REIT in respect of the conversion, exchange or exercise of such Debt Securities and Subscription Receipts. The contractual right of rescission will entitle such original purchasers to receive the amount paid upon conversion, exchange or exercise, upon surrender of the underlying securities gained thereby, in the event that this Prospectus (as supplemented or amended) contains a misrepresentation, provided that: (i) the conversion, exchange or exercise takes place within 180 days of the date of the purchase of the convertible, exchangeable or exercisable Debt Security or Subscription Receipt under this Prospectus; and (ii) the right of rescission is exercised within 180 days of the date of the purchase of the convertible, exchangeable or exercisable Debt Security or Subscription Receipt under this Prospectus. This contractual right of rescission will be consistent with the statutory right of rescission described under section 130 of the *Securities Act* (Ontario), and is in addition to any other right or remedy available to original purchasers under section 130 of the *Securities Act* (Ontario) or otherwise at law.

Original purchasers are further advised that in certain provinces or territories the statutory right of action for damages in connection with a prospectus misrepresentation is limited to the amount paid for the convertible, exchangeable or exercisable Debt Security or Subscription Receipt that was purchased under a prospectus, and therefore a further payment at the time of conversion, exchange or exercise may not be recoverable in a statutory action for damages. The purchaser should refer to any applicable provisions of the securities legislation of the province in which the purchaser resides for the particulars of these rights, or consult with a legal advisor.

PURCHASERS' STATUTORY RIGHTS

Securities legislation in certain of the provinces and territories of Canada provides purchasers with the right to withdraw from an agreement to purchase securities. This right may be exercised within two (2) business days after receipt or deemed receipt of a prospectus and any amendment. In several of the provinces and territories, the securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that the remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province or territory. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province or territory for the particulars of these rights or consult with a legal advisor.
