Frontier Community Services and Miller-Valentine Group Proudly Announce the Grand Opening of Fairway Breeze Apartments in El Reno, Oklahoma

El Reno, Oklahoma – [Frontier Community Services](#) and [Miller-Valentine Group](#) are proud to announce, in conjunction with their partner organizations, the Grand Opening of Fairway Breeze Apartments, a brand new family-friendly community. The ceremony will begin at 12:00 pm on Tuesday, May 12, 2015 at 600 South Country Club Road, El Reno, Oklahoma 73036; a reception will immediately follow the ceremony.

We are honored to have several distinguished speakers at this event, including: Jeremy Bennett, Field Representative, US Congressman Frank Lucas' Office; Steve Carson, Field Representative, US Senator James Lankford's Office; Michael Lee, State Director, US Senator Jim Inhofe's Office; Matt White, Mayor, City of El Reno; and Dennis Shockley, Executive Director, Oklahoma Housing Finance Agency.

Miller-Valentine Group and Frontier Community Services worked with BOK Financial Community Development Banking Group, Raymond James Tax Credit Fund, Inc. and the Oklahoma Housing Finance Agency to bring this remarkable property to fruition.

[Fairway Breeze](#) is a brand new, maintenance-free and pet-friendly community of 48 two- and three-bedroom garden style apartment homes which were designed to serve families who desire high-quality affordable rental housing. All apartment homes feature amenities you would expect to find in a luxury apartment home, at an affordable price; spacious floor plans, fully-equipped gourmet kitchens, energy-efficient design and appliances, full-size washer/dryer connections, exceptional closet space, private patio or balcony, and central air conditioning. Community amenities include a clubhouse with a business center, media room and fitness center; as well as a playground and outdoor picnic area for residents to relax and spend time with friends and family.

Fairway Breeze has provided \$4.2 million in income for the local economy. This includes wages for workers and revenue for local proprietors, small businesses, and corporations. In addition, Fairway Breeze generated 72 new jobs during its construction for local contractors and sub-contractors.

Rod Siddons, Chief Development Officer of Frontier Community Services stated, "I would like to thank the Oklahoma HFA, Raymond James Tax Credit Fund, the Bank of Oklahoma Financial Community Development Group and Miller-Valentine Group for their help in making Fairway Breeze a reality to provide 48 affordable housing units for the people of Canadian County and El Reno! As oil booms across our country and economic growth is spurred forward, we must remember that not all people are able to enjoy the fruits of our economy just yet. This housing is affordable for them for now and for years to come!"

Brian McGeady, Partner & President of Miller-Valentine Affordable Housing Development said, "At Miller-Valentine Group we build communities such as Fairway Breeze Apartments with a vision to provide high quality of life and peace of mind to each of our residents. We are greatly honored to touch the lives of families in the El Reno area."
