NOTICE OF POWER CLEANING OF THE GARAGE OF THE TOWNHOUSES 5PM-11PM

Dear residents of Brentwood Towers:

Please be advised that our contractor will clean the garage of the townhouses on May 18, 19, and 20, 2022 after the construction workers leave the site or specifically from 5PM to 11PM.

The cleaning will not affect the visitors parking on basement level or any parking spot of residents.

Minimal noise may be heard by residents due to use of power cleaning equipment. Presence of cleaning crew will also be noticeable in the underground garage.

For residents who pay for and use parking spot in both the sub-basement and basement levels, please be advised that the cleaning of your spots is being planned for June 14-17, 2022. A separate notice will be served/posted shortly.

Thank you for your usual cooperation.
