## UPDATED TOWNHOUSE CONSTRUCTION SCHEDULE

Dear Residents of Brentwood Towers:

You will see in the schedule that due to weather and pandemic-related challenges, the completion dates of the final components of the townhouse development have been adjusted as follows:

1. The interior finishing will be completed by about middle of June 2021.
2. The landscaping of the courtyard/parkette will be finished by end of June 2021.

We will continue to update residents accordingly.
